The Islamic Jihad and Peace with Jews

Gatestone Institute by Bassam Tawil • February 9, 2017 at 5:00 am

On the face of it, the anti-normalization campaign appears driven by political motivations. However, it turns out that there is also a powerful Islamic angle to this campaign of hate, which is aimed at delegitimizing Israel and demonizing Jews.

The Palestinian anti-normalization "enforcers" do their utmost to conceal the Islamic aspect of their campaign. They are not eager for the world to know that Islam supplies much of the ideology and justification for their anti-Israel activities.

- ★ Fatwas (Islamic religious decrees) and statements issued by leading Muslim scholars and clerics have long warned Muslims against

normalization with the "Zionist entity." Such normalization, they have made it clear, is considered an "unforgivable crime." The authors of these hate messages are not opposed to normalization with Israel because of settlements or house demolitions, but rather because they believe Jews have no rights at all to any of the land.

- ★ In 1989, more than 60 eminent Muslim scholars from 18 countries ruled that it was forbidden for Muslims to give up any part of Palestine.
- ★ The vicious campaigns to boycott Israel and Jews, while political in dress, are in fact deeply rooted in Islamic ideology.
- ★ These campaigns are patently not a legitimate protest. They are not even part of an effort to boycott Israeli products or politicians and academics. The real goal of the campaigns is revealed in the words of the Muslim leaders: that Jews have no rights whatsoever to the land, and must be targeted through jihad as infidels and enemies of all Muslims and Arabs
- ★ Settlements, checkpoints and fences are irrelevant; Muslim scholars want Jews off what they define as sacred Muslim land. Supporters of BDS and the anti-normalization movement would do well to consider this fact. Failing to do so is tantamount to aiding and abetting Muslims to destroy Israel, and kill as many Jews as possible in the process.

Muslim scholars have feverishly citing chapter and verse from the Quran and the hadith, the words of the Prophet Mohammed, in their efforts to encourage Arabs and Muslims to avoid normalization with Jews.

The Quran and hadith have also been leveraged to promote boycotts against Israel and Jews -- thereby refuting claims by anti-Israel activists that their campaigns are just about politics.

Palestinians have long maintained that their campaign to ban normalization with Israel is mainly directed against the Israeli "occupation" of the West Bank, Gaza Strip and East Jerusalem. The Palestinian anti-normalization movement, which continues to target Israeli and Palestinian peace activists who hold -- horrors! -- public meetings, has in recent years gained momentum, largely thanks to the ongoing anti-Israel campaign of incitement and indoctrination in the Palestinian media and mosques.

What Is the Muslim Brotherhood?

Gatestone Institute by Thomas Quiggin • February 8, 2017 at 4:30 am

A variety of groups ascribe to the Islamist objective of imposing their politicized beliefs on others. Included in these are ISIS, al-Qaeda and Hizb ut-Tahrir. However, the largest and best organized of all the Islamist groups is the Muslim Brotherhood. It is the well-spring from which the Islamist ideology flows.

The founder of the Muslim Brotherhood, Hassan al-Banna, stated that "It is in the nature of Islam to dominate, not to be dominated, to impose its law on all nations and to extend its power to the entire planet."

A bill, introduced by Senator Ted Cruz, to have the Muslim Brotherhood designated as a terrorist group would have far-reaching impact, and be the single greatest blow stuck against Islamist extremism in the USA.

The Muslim Brotherhood operating in the U.S. made it clear that "their work in America is a kind of grand jihad in eliminating and destroying the Western civilization from within and 'sabotaging' its miserable house by their hands and the hands of the believers so that it is eliminated and God's religion is made victorious over all other religions."

The North Atlantic Islamic Trust, according to former FBI Agent Robert Stauffer, "served as a financial holding company for Muslim Brotherhood-related groups." This money was wired into the U.S. from countries such as Saudi Arabia, Kuwait, Afghanistan, Egypt, Malaysia and Libya.

Muslims living in the United States likely have little to fear from the Trump Administration and the 115th Congress. By contrast, Islamists living in the United States have grounds to be worried.

A bill introduced by Senator Ted Cruz to have the Muslim Brotherhood designated as a terrorist group could have far-reaching implications, many of which have received little public attention. The bill, if acted upon, would be the single greatest blow stuck against Islamist extremism in the USA. It would also have far reaching impact in Canada and elsewhere.

Rockets fired towards Eilat

Arutz Sheva by Elad Benari, 08/02/2017

Sirens were sounded on Wednesday night, shortly before 11:00 p.m., in the resort city of Eilat and in the Eilat Regional Council.

Residents in the area reported hearing explosions immediately after the sirens.

The IDF confirmed that three rockets were fired from Egypt towards Eilat and that the Iron Dome anti-missile system intercepted them. A fourth rocket exploded in an open area. There were no damages, but four people who suffered shock were evacuated to the Yoseftal Hospital in the city.

IDF forces are continuing to search the area.

Earlier on Wednesday evening, a tank shell from Syria landed in an open area in the Golan Heights.

No injuries or damage were reported.

The IDF believes that the shell was a result of a spillover from the civil war in Syria, and that Israel was not targeted for attack.

The IDF responded by attacking a target in the northern Golan Heights belonging to the army of Syrian President Bashar Al-Assad.

"The IDF will not tolerate any attack on Israel's sovereignty or the security of its citizens, and sees the Syrian regime is responsible for what happens in its territory."

Islamic State claims Eilat rocket attack, threatens more

UCI February 9, 2017

Group's Sinai-based affiliate says it fired rockets 'to teach Jews, crusaders a proxy war will not avail them of anything'

An Islamic State-affiliated terror group on Thursday claimed an attack

that saw four rockets fired at the Red Sea resort city of Eilat in southern Israel from the Sinai Peninsula on Wednesday night.

The Islamic State Sinai Province said in a statement posted online, “A military squad fired a number of Grad rockets at communities of Jewish usurpers in the town of Eilat.” The statement said the group attacked Israel “in order to teach the Jews and the crusaders a proxy war will not avail them of anything.” “The future will be more calamitous with Allah’s permission,” the statement said.

The group has been waging a bloody battle against Egyptian forces in recent years. Egypt and Israel are known to have some level of security coordination in the Sinai.

There were no injuries or damage reported from the rocket salvo. However, city officials said several people were treated for anxiety attacks related to the incident. Fragments of one of the rockets were found in a hotel swimming pool, according to pictures posted to social media.

Eilat is a resort city, popular with tourists from Europe. It is currently full to capacity with visitors. Early Thursday morning, two Palestinians were killed and five were injured in the southern Gaza Strip near the Egypt border, in an explosion that Hamas officials claimed was an Israeli air strike in retaliation for the rocket attack.

The IDF denied it had carried out an air strike in Gaza overnight.

Sinai borders Israel and also the Gaza Strip for a few kilometers at the northern end of the peninsula.

Sinai Province was set up in 2011, ostensibly to attack Israel by firing rockets across the 240-kilometer (149-mile) border or sabotaging a gas pipeline that runs between Egypt and Israel.

But most of the fighting, by far, has been with Egyptian government forces and attacks on Israel have been relatively rare.

Jihadists have killed hundreds of Egyptian soldiers and policemen since the military overthrow of Islamist president Mohamed Morsi in 2013 unleashed a bloody crackdown on his supporters.

THE LIST: George Soros Is Funding Nearly 200 Organizations To Attack America

UCI February 7, 2017.

www.unitycoalitionforisrael.org/?p=30380?

It’s not exactly any secret that President Trump and his entire administration are under attack by leftists all over the globe, but sometimes it is tough to really understand to what degree the attack is occurring.

Globalist billionaire George Soros is funding nearly 200 organizations that have launched attacks on Trump and/or conservatives, which likely won’t stop anytime soon. Dr. Rich Swier has published the entire list of organizations that Soros funds, and if he’s funding it, you can be sure there’s globalist, leftist, and socialist motives behind it. *(Use the above link for the full list.)*

YESHUA REMEMBRANCE SERVICE

³¹ "Here, the days are coming," says Y'HoVaH, "when I will make a new Covenant with the house of Isra'el and with the house of Y'hudah. ³² It will not be like the covenant I made with their fathers on the day I took them by their hand and brought them out of the land of Egypt; because they, for their part violated My Covenant, even though I, for my part, was a husband to them," says Y'HoVaH. ³³ "For this is the Covenant I will make with the house of Israel after those days," says Y'HoVaH, "I will put My Torah within them and write it on their hearts; I will be their Elohim, and they will be My people. (Yirem'yahu [*Jeremiah*] 31:31-33)

Congregation: *Isa 12:2* "See! Elohim is my salvation; I am confident and unafraid; for Y'HoVaH Elohim is my strength and my song, and He has become my salvation!" *Isa 12:3* Then you will joyfully draw water from the springs of salvation. *Ps 3:8* Victory comes from Y'HoVaH; may Your blessing rest on Your people. *Ps 46:7* Y'HoVaH Tzva'ot is with us, our fortress, the Elohim of Ya'akov. *Leader:* "Baruch ata Y'HoVaH, Eloheinu Melech Ha'olam, ha motze lechem m'in ha eretz." (divide challah)

Congregation: "Blessed are You Y'HoVaH our Elohim, King of the Universe who has brought forth bread from the earth. Y'HoVaH Tzva'ot, how happy is anyone who trusts in You! (Ps 84:12). Give victory Y'HoVaH! Let the King answer us the day we call. (Ps 20:9) I will take the cup of redemption and call upon the Name, Y'HoVaH. (Ps 116:13).

Leader: (with cup in right hand) "The cup of deliverance I raise and in the Name of Y'HoVaH, Yeshua HaMashiach, I call: Baruch atah Y'HoVaH, Eloheinu Melech, ha'olam, boray p'ri ha'gafen." (Replace cup with spices)

Congregation: Blessed are You, Y'HoVaH our Elohim, King of the universe, who creates the fruit of the vine.

Leader: Lifting spice container in right hand, says... "Baruch atah Y'HoVaH, Eloheinu Melech ha'olam, boray meenee besamim."

Congregation: Blessed are You, Y'HoVaH our Elohim, King of the universe, who creates the various spices.

Leader: As Avram gave to Malki-Tzedek according to B'resheet (Genesis) 14:18-20, let us all come and bring our offering; then take some Chullah; smell the spices; take your cup, return to your seats and wait, so we can partake together.

Leader: Pray in relation to what Yeshua has done in connection with the day's Torah portion. "Let us eat and drink together".

Malachi & Tamar: Aharonic Blessing (see Num 6:22-27). Our Abba and Elohim of our fathers, we thank you for the joy and rest of this Shabbat. May the coming week bring gladness & peace, health & achievement. Like the fragrance of the besamim, we pray that the days ahead bring sweetness to our lives and the lives of our loved ones. May the peace, which we are enjoying linger till we gather for Shabbat next week. We ask this in Yeshua's name, Amein.
