Australian Republic?

Once again the question of Australia becoming a republic has raised its head, this time we are being told that the time to instigate a referendum to become a republic will be on the death of Queen Elizabeth.

Those in favour of Australia becoming a republic will tell you that it is time that Australia grew up and became self-sufficient, independent and self-governing, that we should have an Australian Head of State.

Those that are Monarchists argue that Australia is already self-governing, we have an Australian Head of State, we are independent and their argument is “if it's not broken don't try to fix it”.

Australia is the only common law country in the world that has neither a constitutional nor federal legislative bill of rights to protect its citizens, however the Australian judicial system seeks to ensure that legislation is interpreted so as not to interfere with basic human rights.

In a referendum in 1999 Australians rejected becoming a republic; however what we didn't know was that some politicians has assumed the referendum would pass and so had been working towards their ultimate plan of

becoming part of the One World Government under the United Nations.

One month prior to the referendum in November the UN voted Australia into its ranks. At the same time on United Nations Day the UN introduced a Charter for Global Governance which will almost certainly guarantee international socialism while Australian politicians removed the “Oath of Allegiance to the Crown” from our Law courts.

In 1990, Kim Beasley was asked a question in Parliament from Senator Button. Beasley replied – The United Nations has given the Federal Government a mandate of ownership for housing, farms, property and business to Government control, ONCE THE REPUBLIC HAS BEEN PROCLAIMED. – So there you have it, the real purpose behind the push for a Republic, which could become the worst dictatorship in history.

If you have wondered why the Safe Schools program has been introduced into our schools despite parents opposition, well look no further than UNESCO's Julian Huxley the first director general of the organization. Julian Huxley's basic philosophy for education was destroy patriotism of your country, and make teachers and the State, controllers of your children's

education.

And the Australians that headed the list to make this happen, Quentin Bryce and Michael Kirby.

Australian Government UN Initiatives

Australian National Commission for UNESCO, Canberra

The Australian National Commission for UNESCO is the Australian Government focal point for the United Nations Educational, Scientific and Cultural Organization (UNESCO). The National Commission provides expert analysis and policy advice to the Australian Government on UNESCO matters and acts as a point of liaison between government, the community and UNESCO in Australia.

UNESCO was established in 1946 as a specialised agency of the United Nations. UNESCO's mandate includes education, the natural sciences, the social and human sciences, culture and communications and information technology, Australia is a founding member. The Australian National Commission for UNESCO is housed in the Department of Foreign Affairs and Trade, Canberra.

It is a well-known fact that Hawke was

a Fabian Socialist; (a Fabian Socialist is someone who supports a One World Government headed up by the United Nations) Keating and Gillard are also Fabian Socialists. Hawke introduced the Australia Act of 1986 which removed the British Control of Australia and the High Court became the highest Authority which is inconsistent with Section 106 of the constitution, it is because of this Act that so many Politicians with dual citizenship had to resign so it has come back to bite them on the backsides.

Currently our Constitution protects us from being taken over by the United Nations, according to our Constitution Section 44 (i) any person who is under any acknowledgement of allegiance, obedience, or adherence to a foreign power or is a subject or a citizen or entitled to the rights or privileges of a subject or citizen of a foreign power.

However should we become a republic we would get a new Constitution and all these anomalies would be sorted out to the further benefit of those in power and Turnbull who is a Globalist is desperate for this to happen.

When Whitlam came into power he signed us up to the UN International Covenant on Economic Social and Cultural rights which virtually states that “Every culture is Equal” wonder why the rise of Sharia Finance in

Australia? This Covenant gives them the rights, wonder why Government has not cracked down on Sharia Marriages to underage children and Female genital mutilation in Australia, “Every Culture is Equal”, next comes Sharia Law.

Rudd apologised to the Indigenous people of Australia a UN initiative. Gillard gave us the Kyoto Agreement for Green House Gas Emissions; and gave us Gillian Triggs another admirer of Fabianism.

Turnbull has given us the UN Climate Change Convention which has committed us to paying millions in Carbon emissions taxation and pushed our electricity prices up even higher than Gillard managed to do.

Turnbull has links to the Bilderberg Group through his banking connections and puts him alongside people such as David Rockefeller, Bill Clinton, Angela Merkel and George Soros, all of whom plan to use the UN as a de facto world government that imposes a UN tax on world citizens.

Of course as “persons of power “they become the elite and benefit financially and socially, Bishop wants to sit on the UN international Commission for Security based in New York so she can have a permanent position in USA society.

Britain has woken up to the fact that the UN and the EU have virtually destroyed manufacturing in the UK, destroyed their Society with the UN demands on open borders, flooded their health system with refugees that have not contributed to the health budget, and forced British Governments to evict British citizens out of public housing so refugees can take over their homes. And that is the reason behind Brexit.

All Australian Governments since 1975 have instigated the UN Refugee Acts which is why there are so many problems and its only getting worse.

There are many people that dislike Abbott but as he wrote in the Australian in December 2016, “ There are certain lessons for Australia in the Trump ascendancy and in Brexit. Political establishments that patronise the people who vote for them are in big trouble, Centre right Politicians shouldn't pander to political correctness. Successful countries shouldn't be apologetic about their achievements or diffident about their futures. In the end robust Anglo American leadership will be much better for the world than the dithering of the EU or the corruption of the UN.

However the United Nations is a Foreign Power. We are not a Republic so our Constitution stands and Section 44 states “anyone with allegiance, obedience or adherence to a foreign

power shall be incapable of being chosen or sitting as a Senator or a member of the House of Representatives”.

When Whitlam came into power within 2 weeks he signed us up to the ” UN’s International Covenant On Economic, Social And Cultural Rights”. A treaty that essentially gave cultures like Muslims the right to practice Sharia in Australia under the UN’s mantra that “Every culture is Equal”.

- HAWKE signed us into 6 different UNESCO Conventions.
- KEATING : signed us up to Convention Concerning Termination Of Employment At The Initiative Of The Employer That ended up as Unfair Dismissal—It was a UN initiative!
- HOWARD: Disarmed Australia in 1996 a key objective of the United Nations committee of Regional disarmament committee formed in 1990 which Australia supported from Day one.
- RUDD in keeping with the requirements of the “UN Rights of Indigenous Peoples”—apologised to the Indigenous people of Australia—another UN initiative.
- GILLARD came into power, she signed us up to the UN Kyoto Agreement for Green House Gas Emissions.
- BISHOP launched our bid to sit on

the UN International Commission of Human Rights

- TURNBULL signed us up to the UN Climate Change Convention, committing Australia to millions of dollars in Carbon emissions Taxation after Tony Abbott had refused to join and was deposed of weeks before the date of the UN convention.

The United Nations according to the Australian Constitution is a foreign power that we never had a Referendum to join. Turnbull drafted the original Republic document presented to the Australian public in 1999, Turnbull pushed through the SSM plebiscite assuring us that rights would be protected as soon as the bill was passed, has that happened?

Fabian and Masonic politicians have been working to undermine the sovereignty of Australia while not worrying about the farmers they drive to suicide; the manufacturing industry they destroy; and the destruction of social cohesion due to their radical immigration plans.

YESHUA REMEMBRANCE SERVICE

Leader: ³¹ "Here, the days are coming," says Y'HoVaH, "when I will make a new Covenant with the house of Isra'el and with the house of Y'hudah. ³² It will not be like the covenant I made with their fathers on the day I took them by their hand and brought them out of the land of Egypt; because they, for their part violated My Covenant, even though I, for my part, was a husband to them," says Y'HoVaH. ³³ "For this is the Covenant I will make with the house of Israel after those days," says Y'HoVaH, "I will put My Torah within them and write it on their hearts; I will be their Elohim, and they will be My people. (Yirem'yahu ~*Jeremiah 31:31-33*)

Congregation: *Isa 12:2* "See! Elohim is my salvation; I am confident and unafraid; for Y'HoVaH Elohim is my strength and my song, and He has become my salvation!" *Isa 12:3* Then you will joyfully draw water from the springs of salvation. *Ps 3:8* Victory comes from Y'HoVaH; may Your blessing rest on Your people. *Ps 46:7* Y'HoVaH Tzva'ot is with us, our fortress, the Elohim of Ya'akov.

Leader: "Baruch ata Y'HoVaH, Eloheinu Melech Ha'olam, ha motze lechem m'in ha eretz."
Divide Chullah ~platted loaf

Congregation: "Blessed are You Y'HoVaH our Elohim, King of the Universe who has brought forth bread from the earth. Y'HoVaH Tzva'ot, how happy is anyone who trusts in You! (*Ps 84:12*). Give victory Y'HoVaH! Let the King answer us the day we call. (*Ps 20:9*) I will take the cup of redemption and call upon the Name, Y'HoVaH. (*Ps 116:13*).

Leader: (with cup in right hand) "The cup of deliverance I raise and in the Name of Y'HoVaH, Yeshua HaMashiach, I call: Baruch atah Y'HoVaH, Eloheinu Melech, ha'olam, boray p'ri ha'gafen." (Replace cup with spices)

Congregation: Blessed are You, Y'HoVaH our Elohim, King of the universe, who creates the fruit of the vine.

Leader: Lifting spice container in right hand, says... "Baruch atah Y'HoVaH, Eloheinu Melech ha'olam, boray meenee besamim."

Congregation: Blessed are You, Y'HoVaH our Elohim, King of the universe, who creates the various spices.

Leader: As Avram gave to Malki-Tzedek according to B'resheet ~*Genesis 14:18-20*, let us all come, make our offering, take some Chullah; smell the spices; take your cup and return to your seats and wait, so we can partake together.

Leader: Pray in relation to what Yeshua has done in connection with the day's Torah portion. "Let us eat and drink together".

Aharonic Blessing (Hebrew & English) from Tamar & Malachi (Num 6:22-27)

Leader: Our Abba and Elohim of our fathers, we thank you for the joy and rest of this Shabbat. May the coming week bring gladness & peace, health & achievement. Like the fragrance of the besamim, we pray that the days ahead bring sweetness to our lives and the lives of our loved ones. May the peace, which we are enjoying linger till we gather for Shabbat next week.

We ask this in Yeshua's name, Amein.
