TRUTH IS A LONELY WARRIOR

*UNMASKING THE FORCES
BEHIND GLOBAL DESTRUCTION*

by James Perloff

<https://JamesPerloff.com/>

In the introduction to this book we read:

“The original title of this book was to be *How Satan Rules in the World*. However I was advised that this would hamper the book’s sales. Our secular world discounts the existence of Satan, just as it does God, claiming that these were beings dreamed by primitive cultures.

The Bible views Satan as a real being, who has played a major hand in generating evil throughout history, usually through deception. *Truth is a Lonely Warrior* contends that Satan influences global events, and that among his instruments is a powerful organization of men on Earth. This organization has fomented many wars, revolutions and other cataclysms of the past several centuries. Their ultimate goal: establish a world government run by Satan’s puppet - a figure the Bible calls “the beast” or “Antichrist.”

However silly that might sound right now, I ask that you read on, as we view history in a way that will contradict, in many ways, the accounts presented in mainstream media.

☹️ Hold on, dude! Red flag! “Not

presented in the mainstream media”? That basically translates to: *you’re a whack job!*

This book will make the case that this organization is so powerful that it controls most of the major media, and therefore can keep both its agenda and its very existence unknown.

☹️ So we add “paranoid conspiracy theorist” to your resumé. Um – in fact, let’s make that *ultra*-paranoid.

By the way, this little fellow ☹️ is Marvin, my critic. Marvin serves to occasionally present common objections – from both liberal and conservative viewpoints – to what this book says.

☹️ Yeah, right! Like readers of this book are r-e-e-ally gonna get a fair hearing from me – when you, Perloff, are actually putting words in my mouth like a ventriloquist’s dummy! Let’s face it, I’m nothing but a straw man – you’re gonna set me up to lose all the arguments, right?

That’s still a better deal than lots of books give people, Marvin, so clam it for a while, huh? Now I realize Marvin may seem like a frivolous distraction to some of you, so I’ll limit his interruptions.

This book will examine history in a way some of you have never heard it told before. For now, all I ask is that you read with an open mind.”

Perloff, James. Truth Is a Lonely Warrior: Unmasking the Forces behind Global Destruction (p. 1-2). Refuge Books. Kindle Edition.
<https://jamesperloff.com/>

What follows are quotes from *Truth is a Lonely Warrior*

National sovereignty really began with the scattering after Babel. We may reasonably understand world government as Satan's attempt to reverse the dispersion God ordained. . .

Immigration is integral to the globalist plan. The European Union, for example, encourages free movement within members states. Why? Notice that nations are becoming harder to characterize. Britain had only 10,700 Indians and Pakistanis in 1955; by 2001 that figure had risen to over 1.8 million. France today has over five million Muslims, most of them immigrants from its former North African colonies; they constitute a state within a state – as witnessed by the rash of violence and fires in 2005 that French police couldn't contain.

The Establishment encourages such situations because if you confuse national identity, you weaken national sovereignty. When Africans Muslims come to France, they usually don't consider themselves Frenchmen – and ethnically they aren't. A country not unified by a distinct identity is far easier to strip of sovereignty because the subjects themselves feel little allegiance to country, flag, and each other. "Multiculturalism" is politically correct today, but its purpose is to *fragmentize nations*. (pp. 88-89).

Colonialism

Another method of destroying nations, now almost fully accomplished: severing them from their colonies.

Britain, France, Germany, Spain, Portugal, Italy, Belgium and the Netherlands, among others, once governed colonies that furnished them with abundant natural resources. The U.S. State Department and CIA were two of the Establishment's chief agents in ending these relationships. (pp. 89-90).

Earthly monarchs could be very bad' some were notoriously cruel. Nevertheless monarchy was the *form* of government most clearly structured on heaven's model. (p. 91)

While European monarchs inscribed crosses and "defender of the faith" on their coins, we Americans put Lady Liberty on ours. We have the Liberty Bell and the Statue of Liberty. Don't get me wrong – I'm for liberty, but when you make it a kind of idol, is it surprising that people eventually demand the liberty to have abortions, smoke marijuana, or redefine marriage? Satan knew that once "democracy" replaced kings, he would only need 51% of the vote to dismantle Christian culture. And when you control the media, getting 51% is a cinch. (p. 93).

Although the U.S. cites Iran as a world terrorist threat, few remember that the U.S. itself paved the way for the current Iranian regime, by deposing the pro-Western Shah during the Carter administration. Even the Washington Post frankly stated: On or about January 3, 1979, Air Force General Robert E. (Dutch) Huyser . . . arrived in Teheran at the express direction of President Carter. . . . According to State Department and Pentagon sources the purpose of Huyser's mission was "to

pull the rug out from under the Shah.” These sources say Huyser’s marching orders were: To tell the Shah his days were numbered To tell the Shah he should leave immediately. . . .To stop any pro-Shah military coup and clear the way for Khomeini’s return by warning the U.S.-trained generals that if they moved to seize power, the United States would cut off all aid. (pp. 93-94). [For a full discussion of the betrayal of the Shah, see this author’s article published in *The New American* in 2009.] <https://tinyurl.com/y3838hcu>

Chapter 13 **Zionism**

The Rothschilds have long been the Establishment’s dominant financial power. They have supported three major goals: world government (League of Nations and UN), revolution (e.g., funding Lenin and Trotsky), and Zionism – the movement to establish the modern state of Israel. Why the last? (p. 143). . .

Satan tries to counterfeit the things of God. The Bible says the Antichrist will do signs and wonders, and amaze the world because he was wounded yet lived. That sounds like Christ. It also says he will rule for 3 and ½ years – the same amount of time theologians ascribe to Christ’s earthly ministry. (p. 144). . .

Contrary to the widely held Christian view, I suggest the modern political state of Israel is not the rebirth of Biblical Israel, but a satanic counterfeit. I stress that I say this in a political context; I do not for a moment deny the sincere faith of many of the professing followers of Judaism now living in Israel. How did that state

begin? Israel received the land from the British, but how did they acquire it? Historically, Britain never had interests in Palestine. In 1916, when Britain was facing likely defeat in World War I, leading Zionists intimated they could bring America into the war, provided that Britain would secure the Jewish people a national homeland in Palestine. The British government consented, resulting in the Balfour Declaration, named for its purported author, Foreign Secretary Arthur Balfour, a 33rd-degree Mason. Samuel Landman, secretary of the World Zionist Organization, wrote that the only way (which proved so to be) to induce the American President to come into the war was to secure the cooperation of Zionist Jews by promising them Palestine, and thus enlist and mobilize the hitherto unsuspectedly powerful forces of Zionist Jews in America and elsewhere in favour of the Allies on a quid pro quo contract basis. Thus, as will be seen, the Zionists having carried out their part, and greatly helped to bring America in, the Balfour Declaration of 1917 was but the public confirmation of the necessarily secret “gentleman’s” agreement of 1916 . (p. 145). . .

Chapter 20 **The Secret War on Life.**

Archie Kalokerinos, MD: . . . My final conclusion after forty years or more in this business [medicine] is that the unofficial policy of the World Health Organization and the unofficial policy of the “Save the Children’s Fund” and [other vaccine-promoting] organizations is one of murder and genocide. They want to make it appear as if they are saving these kids, but in

actual fact they don't. I am talking of those at the very top. Beneath that level is another level of doctors and health workers, like myself, who don't really understand what they are doing. But I cannot see any other possible explanation. It is murder and it is genocide. (p. 254) . . .

Microsoft founder Bill Gates is on record saying that the world is facing a dire overpopulation crisis. Yet Gates has also donated over \$10 billion for vaccine development. Now, if vaccines truly improve health, they would increase world population, wouldn't they? Gates is logical enough to understand this contradiction. But if vaccines are intended to kill people, Gates's words and actions become consistent. Check this video, which includes both a news clip on Gates's \$10 billion vaccine donation, and a speech he gave decrying overpopulation. In the speech, Gates let it slip that vaccines will reduce world population. (p. 255) . . .

APPENDIX IV **The Bible and the Millennium**

There are, as mentioned, several views of the millennium within Christianity. Very intelligent people are on all sides of the debate. I don't wish to be dogmatic on this subject, and hope my remarks will be understood as suggestions for consideration, not assertions. . . .

I suggest the following possibility: that starting with the Cross (or perhaps Pentecost, which occurred shortly after), Satan was bound, and the church grew and thrived for 1,000 years. The first major split (into Catholic Rome and

Orthodox Constantinople) occurred in 1054 A.D. Scholars believe the crucifixion occurred about 33 A.D. Was Satan released 1,000 years later? Hassan-I Sabah, the satanic "Old Man of the Mountain" – whose cult of assassins fathered both Freemasonry and the violent Muslim sects – was born in 1033 A.D. William Guy Carr, perhaps the best analyst of the Illuminati, believed the millennium has passed: While we don't wish to labour this matter there is evidence which indicates that with the death and resurrection of Jesus Christ, Satan was cast back into Hell and there bound, as far as his being Prince of this World is concerned, for a thousand years. We believe according to the Apostles' Creed that Christ descended into Hell immediately after the death of his mortal body. Couldn't it have been to see that Satan was secured as well as to release the souls of the Just who had been detained in that part of Hell called Limbo until Christ had redeemed them?

Then, again, the Luciferian conspiracy seems to have had very poor direction on this earth from the time Christ left us until about A.D. 1000. Christianity had flourished. It was progressing, church and state were trying to get along together. The Church was advising rulers in regard to God's plan for the rule of the universe, and the rulers were seemingly trying to put that plan into effect. Paganism was dying a natural death under the glare of the Light of Holy Scriptures. But as the thousand years ended Satanism broke out again in all its diabolical force and fury, and Satan again became Prince of this World. <https://jamesperloff.com/>
