The US-Russian Pedophile Connection and It's Not What You Think

by Dave Hedges www.thecommonsenseshow.com/2017/05/16/

There Is Collusion Between the US and Russia- The NYT Is Correct - but

I have had a paradigm shift in my thinking regarding the establishment incessant and ridiculous Russian-collusion allegations against Trump.

On my show, Liz Crokin stated that she was aware of a clear intent for Trump and Putin to work together to exterminate pedophilia from their respective countries. The previous evidence presented in this article speaks to this clear intent with regard to the direction both leaders are taking.

The obvious goal of Deep State establishment is to keep the two world leaders apart on this issue because it exposes the raw evil that permeates our Deep State. Putin knows it, Trump knows, Liz Crokin knows it and now you know it.

Please keep in mind that the articles that I cited for this article are merely a small representation of the large body of evidence that backs up these claims.

The clear intent of the Deep State is not to just get Donald Trump impeached over the Russian collusion allegation, but to keep the 2 men apart.

In my interview with Crokin, she delved deeply into this topic. This interview should be downloaded and shared among the masses. Here is the interview about the most heinous crime on the face of the planet.

Liz Crokin- Pedophile Researcher- Stunning Russian-US Connections

I recently interviewed Liz Crokin and this interview changed my paradigm on the Russian allegations against Trump. During the course of the interview, Liz Crokin stated that the pedophilia has invaded every government in the West. Putin is opposed as is Trump and they intend to work together. I set out to see if her statements were accurate and here is a cross-section of what I found:

From Veterans Today:

“Obviously pedophiles, Neocons, and other New World Order agents will never forgive Putin because he is making those people look really bad. If those people are pursuing a satanic ideology, says Putin, then they are in “the path to degradation.”

Putin Criticizes Western Countries for Abandoning Christian Roots,

Free Republic, December 28, 2016.

“Many Western states have taken the way where they deny or reject their own roots, including their Christian roots which form the basis of Western civilization. In these countries, the moral basis and any traditional identity are being denied – national, religious, cultural and even gender identities are being denied or relativized.”

From Living Resistance:

“In a rarely seen speech, Putin states that there is a moral crisis occurring in the west and it is one that is purposely created by governments. In short, the moral foundations of objective right and wrong often linked to Christendom have eroded.

In their place the imperial oligarchs have erected a system that reverses what is good and replaces it with propaganda that leads to cultural decay and erasure of identity, according to Putin.

He suggests that traditional faith in God has been replaced by Satanism. It sounds crazy enough, but then again, there does seem to be at least some degree

of affinity for occult religious practices among certain politically connected individuals. Whether it is “Satanism” or something altogether different, is a question we will leave others to decide.

He says parties which “promote the propaganda of pedophilia” have been seriously considered as legitimate due to the excesses of political correctness.”

This make me want to invite Putin over for dinner. His views are decidedly consistent and I have found evidenced that he has been making statements similar to these statements printed here, for years.

Putin Translates Words Into Actions

Putin took the bold step of banning US adoptions of Russian children because of the real threat that these childre will end up being sex-trafficked by elite pedophile rings that are sanctioned, by the failure of the American government to fully prosecute these rings for their crimes.

From AWD News:

Vladimir Putin has issued an immediate ban on U.S. adults adopting Russian children over fears for the safety of the children due to the pedophilia epidemic plaguing the United States.

“The law, which was passed emphatically by both houses of the Duma, raised eyebrows in Russia, however Putin explained “the country will not be responsible” for the abuse of their children at the hands of pedophiles.

Americans adopt children from abroad more often than citizens of any other country in the world, and while the vast majority may have honorable intentions, there is increasing evidence that an elite pedophile ring uses adoption to enter children into child sex trafficking, with many of the children disappearing without a trace. D.C. children most at risk.

What About Donald Trump?

Did you know that in Trump’s first 30 days in office, his people, mainly Attorney General Jeff Sessions, prosecuted 1,500 sex traffickers?

President Donald Trump issued an executive order giving the FBI extra power to crack down on human trafficking offenses.

“This should be one of the biggest stories in the national news. Instead, the mainstream media has barely, if at all, covered any of these mass pedophile arrests. This begs the question – why?” Liz Crokin wrote for Townhall.com on Feb. 25.

The numbers are “staggering” when compared to the less than 400 sex trafficking-related arrests made in 2014 according to the FBI.

My guest from this previous Sunday night was fired by Townhall, shortly after running this piece on Trump and his intent on going after pedophiles. Liz told me in a private conversation that she was told by Townhall officials that they would never cover the subject again even if the President made it a news item. This opens up a whole can of worms about this publication. Liz Crokin felt compelled to flee the country for her safety and just recently returned shortly before appearing on The Common Sense Show on May 13, 2017. The day before, President Trump announced that he was initiating a bold new initiative to go after child-sex-traffickers. I ran a video of the announcement on Feb. 25th. However, the video, a major announcement by the President of the United States has been scrubbed from the Internet.

Palestinians: The Threats Trump Needs to Hear

by Bassam Tawil, May 16, 2017

The warning by Hamas and Islamic Jihad is directed not only against Trump and his new administration, but also against Abbas and any Arab leader who dares to "collude" with the U.S.

A new policy document recently published by Hamas says that the Islamic terror movement accepts a Palestinian state in the West Bank, Gaza Strip and East Jerusalem, but without recognizing Israel's right to exist. Translation: Hamas seeks a Palestinian state that would be used as a launching pad to destroy Israel.

The electoral showing demonstrates with excruciating clarity that Hamas could easily take over any Palestinian state that the U.S. and the Europeans help create in the West Bank.

Abbas is a weak leader with precious little legitimacy among Palestinians. He would never survive any kind of real peace deal with Israel -- a reality that, ironically, he has done his very best to create.

As U.S. President Donald Trump prepares to hold his second meeting with Palestinian Authority (PA) President Mahmoud Abbas in Bethlehem next week, two Palestinian terror groups have announced that the new U.S. administration is planning to "liquidate the Palestinian cause." The warning by Hamas and Islamic Jihad is directed not only against Trump and his new administration, but also against Abbas and any Arab leader who dares to "collude" with the U.S.

The two Palestinian terror groups, which control the Gaza Strip and its two million residents, also renewed their pledge to pursue the armed fight against Israel; they said they would not give up one inch of Palestine, from the (Mediterranean) sea to the (Jordan) river.

Trump and his administration would do well to heed the warning issued by Hamas and Islamic Jihad, especially in the wake of Abbas's recent statements concerning a two-state solution and peace with Israel. Abbas controls only parts of the West Bank, and how he intends to establish a Palestinian state when he cannot even set foot in the Gaza Strip is anyone's guess. Recently, Hamas announced that if and when the 82-year-old Abbas shows up in the Gaza Strip, he will be hanged in a public square on charges of "high treason."

The warning by the Palestinian terror groups was made during a joint rally in the Gaza Strip on May 14. Leaders of Hamas and Islamic Jihad vowed to "preserve the Palestinian rifle and Palestinian rights in the face of any schemes and attempts to liquidate the Palestinian cause."

Hamas leader Mahmoud Zahar stated that Palestinian "principles are part of our [Islamic] religion, and we cannot make any concessions on them. We will not give up one inch of our land and holy sites. We will continue to work until the liberation of each inch of Palestine."

Zahar also warned Abbas against signing any agreement with Israel that includes relinquishing Palestinian rights. "Anyone who gives up our rights and holy sites will betray Allah and his Prophet Mohammed," Zahar cautioned.

Notably, Zahar's statement to "liberate every inch of Palestine" comes amid false claims in the Western media to the effect that Hamas has abandoned its dream of eliminating Israel.

The claims are based on a new policy document recently published by Hamas; it says that the Islamic terror movement accepts a Palestinian state in the West Bank, Gaza Strip and East Jerusalem, but without recognizing Israel's right to exist. Translation: Hamas seeks a Palestinian state that would be used as a launching pad to destroy Israel.

Zahar and other Hamas leaders have taken advantage of every available platform to clarify that their acceptance of a Palestinian state on the pre-1967 lines does not mean abandoning their plan to eliminate Israel.

They have also explained, at length, that the new policy document does not replace Hamas's original charter, which explicitly calls for the destruction of Israel.

Hamas's honesty with respect to its true intentions stands in utter contrast to the deceit with which the policy document is being treated by others.

For instance, some Western media outlets and Palestinian affairs "experts" and "analysts" deceptively describe the document as a sign of moderation and pragmatism on the part of Hamas.

While Hamas leaders proudly proclaim that there is no real change in their ideology and charter, some Westerners seem to have a sort of hearing disability when it comes to the truth of the terror movement.

Another Hamas leader, Ahmed Bahr, said at the rally that his movement remains strongly opposed to security coordination between Abbas's Palestinian Authority and Israel in the West Bank.

Bahr described the security coordination and the crackdown on Hamas supporters in the West Bank as a new Palestinian "Nakba" (Catastrophe) -- the term used by Palestinians and Arabs to describe the establishment of Israel in 1948.

Referring to Trump's upcoming visit to Jerusalem and Bethlehem, and reports that the U.S. administration was seeking to revive stalled peace talks between the PA and Israel, the top Hamas official said that Palestinians remain committed to the "resistance to liberate Palestine despite the conspiracies that are being concocted against them."

For Hamas and its allies, Trump's peace efforts are nothing less than a plot designed to force Palestinians to make unacceptable concessions to Israel. They will accept nothing but the elimination of Israel and its replacement with an Islamic state governed by Islamic sharia law... *(The full article is on the following link.)*

YESHUA REMEMBRANCE SERVICE

³¹ "Here, the days are coming," says Y'HoVaH, "when I will make a new Covenant with the house of Isra'el and with the house of Y'hudah.³² It will not be like the covenant I made with their fathers on the day I took them by their hand and brought them out of the land of Egypt; because they, for their part violated My Covenant, even though I, for my part, was a husband to them," says Y'HoVaH.³³ "For this is the Covenant I will make with the house of Israel after those days," says Y'HoVaH, "I will put My Torah within them and write it on their hearts; I will be their Elohim, and they will be My people. (Yirem'yahu [Jeremiah] 31:31-33)

Congregation: Isa 12:2 "See! Elohim is my salvation; I am confident and unafraid; for Y'HoVaH Elohim is my strength and my song, and He has become my salvation!" Isa 12:3 Then you will joyfully draw water from the springs of salvation. Ps 3:8 Victory comes from Y'HoVaH; may Your blessing rest on Your people. Ps 46:7 Y'HoVaH Tzva'ot is with us, our fortress, the Elohim of Ya'akov. **Leader:** "Baruch ata Y'HoVaH, Eloheinu Melech Ha'olam, ha motze lechem m'in ha eretz." (divide challah)

Congregation: "Blessed are You Y'HoVaH our Elohim, King of the Universe who has brought forth bread from the earth. Y'HoVaH Tzva'ot, how happy is anyone who trusts in You! (Ps 84:12). Give victory Y'HoVaH! Let the King answer us the day we call. (Ps 20:9) I will take the cup of redemption and call upon the Name, Y'HoVaH. (Ps 116:13).

Leader: (with cup in right hand) "The cup of deliverance I raise and in the Name of Y'HoVaH, Yeshua HaMashiach, I call: Baruch atah Y'HoVaH, Eloheinu Melech, ha'olam, boray p'ri ha'gafen." (Replace cup with spices)

Congregation: Blessed are You, Y'HoVaH our Elohim, King of the universe, who creates the fruit of the vine.

Leader: Lifting spice container in right hand, says... "Baruch atah Y'HoVaH, Eloheinu Melech ha'olam, boray meenee besamim."

Congregation: Blessed are You, Y'HoVaH our Elohim, King of the universe, who creates the various spices.

Leader: As Avram gave to Malki-Tzedek according to B'resheet (Genesis) 14:18-20, let us all come and bring our offering; then take some Chullah; smell the spices; take your cup, return to your seats and wait, so we can partake together.

Leader: Pray in relation to what Yeshua has done in connection with the day's Torah portion. "Let us eat and drink together".

Malachi & Tamar: Aharonic Blessing (see Num 6:22-27). Our Abba and Elohim of our fathers, we thank you for the joy and rest of this Shabbat. May the coming week bring gladness & peace, health & achievement. Like the fragrance of the besamim, we pray that the days ahead bring sweetness to our lives and the lives of our loved ones. May the peace, which we are enjoying linger till we gather for Shabbat next week. We ask this in Yeshua's name, Amein.
