## ISIS Document Reveals Vision of Armageddon

By Rivkah Lambert Adler August 25 in Israel Today [www.breakingisraelnews.com/47486](http://www.breakingisraelnews.com/47486)

*“But it seemed contemptible to him to lay hands on Mordecai alone, for they had told him Mordecai’s nationality, and Haman sought to destroy all the Jews who were throughout Ahasuerus’s entire kingdom, Mordecai’s people.” (Esther 3:6)*

A 32-page ISIS document calling for open warfare against non-Muslims has been uncovered in Pakistan and authenticated by retired US Defense Intelligence Agency Director General Michael Flynn and other intelligence officials. The document has been compared to Adolf Hitler’s “Mein Kampf”, the political manifesto in which the Nazi leader outlined his plan for the future of Germany and its Jews.

The ISIS document places the blame for the appearance of jihadi organizations like ISIS on the establishment of the State of Israel in 1948. The document declares, “No sooner had the British government relinquished control of Israel, Ben-Gurion, the leader of the Jews, declared the independence of the State of Israel, triggering a global migration of Jews to the Jewish State, and launching the systematic persecution of Palestinian Muslims who had to abandon their homes and migrate.”

The document, titled A Brief History of the Islamic State Caliphate (ISC): The Caliphate According to the Prophet, contains a six stage plan for the development of the Islamic State and for conquering the entire world.

In a blog post written by Geoffrey Grinder in Now the End Begins, the phases are laid out. The establishment of the Islamic State has already passed through four of its planned six phases and is currently in Phase 5. These are the stages according to Grinder:

Phase 1 “Awakening” 2000-2003: Islamic State calls for “a major operation against the U.S....to provoke a crusade against Islam.” [September 11, 2001]

Phase 2 “Shock and Awe” 2004 – 2006: Islamic State will lure US into multiple theatres of war, including cyber-attacks and establish charities across the Muslim and Arab world to support terrorism.

Phase 3 “Self-reliance” 2007-2010: Islamic State will create “interference” with Iraq’s neighboring states with particular focus on Syria.

Phase 4 “Reaping/extortion/receiving” 2010-2013: Islamic State will attack “U.S. and Western interests” to destroy their economy and replace the dollar with silver and gold and expose Muslim governments’ relations with Israel and the US.

Phase 5 Declaring the Caliphate 2013-2016: Not much details offered here. The document just says, “The Caliphate According to The Prophet.”

Phase 6, Open Warfare 2017-2020: Islamic State predicts faith will clash with non-believers and “Allah will grant victory to the believers after which peace will reign on earth.”

Phase 6 calls for open, worldwide warfare against all non-Muslims followed by a messianic vision of a peaceful era. The messianic vision of the document paints a picture of a world in which only believing Muslims remain alive.

The document’s author uses harsh words to make his point. “Accept the fact that this caliphate will survive and prosper until it takes over the entire

world and beheads every last person that rebels against Allah. This is the bitter truth, swallow it.”

Breaking Israel News asked Rabbi Nachman Kahana, author and Torah scholar who lives and works in the Old City of Jerusalem, to comment on the discovery of this document and the threat it represents to Israel.

Kahana responded that the Talmud, one of Judaism’s core texts, states that God “will eventually send to the world a leader whose decrees will be as drastic as those of Haman, the villain from the Book of Esther who intended to wipe out all the Jews, in order that we, the Jewish people, will do teshuva (repent) and then the final geula (redemption) will arrive.”

### **IAF Airstrike Destroys Hamas Weapons Facility Following Rocket Attack**

*By Lea Speyer August 27 [www.breakingisraelnews.com/47760](http://www.breakingisraelnews.com/47760)*

The Israeli Air Force (IAF) carried out an airstrike early Thursday morning in the central Gaza Strip in response to a rocket attack earlier Wednesday evening.

According to the army, the military targeted and destroyed a Hamas weapons facility and said that the Gaza-based terror group is solely responsible for all attacks emanating from the Strip.

A rocket launched by terrorists in Gaza exploded in an open field Wednesday night. The rocket landed in the Eshkol Regional Council of the Western Negev. No damage or injuries were reported. It still remains unclear which terror group is directly responsible for the attack. However, Israel maintain a policy that all rocket fire from the Strip is the responsibility of Hamas, the ruling power of the Palestinian enclave.

The army noted that since the beginning of August, eight rockets had been fired from Gaza into Israel. Since the end of the 2014 summer war between Israel and Hamas, the terror group has not directly fired rockets towards Israel. Intermittent rocket fire over the last year has been carried out by small Salafi terror groups attempting to undermine Hamas’s power in the Strip.

### **Ten Terror Attacks Per Day in Old Jerusalem Alone**

*By Orli Harari in Arutz Sheva 8/26/2015*

The statistic includes only the Old City area – which means the full numbers are much worse.

Jerusalem is under a full-blown massive terror onslaught – or “intifada,” as Arabs call it – official statistics prove. The statistics were compiled by the Ministry of Construction and Housing, which operates a security service in the area known as the “Old City Basin.” The area includes the Old City quarters inside the city's ancient walls, as well as the Mount of Olives, the Silwan (Shiloah) neighborhood and the City of David.

The numbers for June and July indicate an average of close to ten terror attacks per day in this part of the city.

The statistics, which were published in Yediot Aharonot Wednesday, do not include terror attacks in the city's eastern villages and neighborhoods, and this means that the full numbers for Jerusalem are much worse.

In June and July, a total of 580 terror attacks were documented, against both civilians and security forces. These included 477 rock attacks, as well as 28 firebomb attacks against vehicles and homes in which Jews reside. Additional incidents involved throwing empty glass bottles, firing fireworks and damaging property.

The terror attacks in June peaked at 359, of which 213 were in the City of David sector, 125 at the Mount of Olives and the mountain ridge, and 21 in the Old City. They include 307 rock attacks, 12 firebombs, four cases of grave vandalization at the Mount of Olives, and six attacks against Jews in the Old City, five of them against civilians and one aimed at a Border Police warrior.

The total of recorded terror events was down slightly in July, at 221. They included 170 rock attacks, 16 firebombs, one grave desecration, four incidents in which Arabs threw glass bottles at Jews, and several fireworks attacks.

The Jerusalem Police said in response that its “resolute” actions against terrorism led to a decline in terror attacks in the last few months, noting that most of the attacks are carried out against security forces, because of the ongoing friction between them and lawbreakers in eastern Jerusalem.

## **Violence Rocks Jerusalem as Border Police Officers Stabbed, Firebombed**

Wednesday marked a day of terrorist violence in Jerusalem as a Border Police officer was stabbed by a Palestinian man and several firebombs were hurled at a Border Police vehicle in a Palestinian neighbourhood.

A Palestinian terrorist, yelling and wielding an axe, approached a group of Border Police officers on patrol near the Damascus Gate in Jerusalem’s Old City. He attempted to stab one of the officers but missed. The terrorist ran away and was pursued by the officers. During their struggle to subdue him, the terrorist managed to stab one officer and injure him lightly in the leg.

Security forces arrested the terrorist, who was identified by the Israeli Police as a convicted killer imprisoned for the murder of Menahem Stern in 1989, but set free in 2013 in a round of Palestinian prisoner releases.

A few hours following the stabbing attack, several firebombs were thrown at a Border Police vehicle in East Jerusalem’s A-Tur neighbourhood on the Mount of Olives. One of the firebombs hit the vehicle, setting it on fire. The

policemen managed to escape, but the fire spread to nearby cars.

One policeman suffered from mild smoke inhalation. The fire was reported to be under control soon after the incident.

The day of violence marks the latest evidence of a sharp uptick in terrorist attacks in the nation's capital.

According to official statistics compiled by the Ministry of Construction and Housing, the number of attacks for June and July indicate an average of close to 10 terror attacks per day in the Old City basin alone. This area includes the Old City, the Mount of Olives, the Silwan (Shiloah) neighbourhood and the City of David.

In June and July, a total of 580 terror attacks were documented against Israeli civilians and security forces, including 477 rock attacks and 28 firebomb attacks against vehicles and Jewish homes. Additional incidents involved throwing glass bottles, setting off fireworks, vandalising of Jewish graves and damaging property.

### **Palestinians Ethnically Cleansed, But Not By Israel**

*Sunday, August 23, 2015 by Israel Today Staff*

Many Palestinians captured by Shiite militias in Iraq have been brutally tortured and forced to “confess” to their alleged involvement in terrorism, according to Palestinian researcher Abu al-Walid.

That has led to the exodus of 19,000 out of the 25,000 Palestinians who lived in Iraq up until recently.

“It is no secret that most of the Arab countries have long been mistreating their Palestinian brethren by subjecting them to a series of Apartheid-like discriminatory laws and regulations that often deny them basic rights,” writes Palestinian-Israeli investigative journalist Khaled Abu Toameh.

“In countries such as Iraq, Lebanon, Jordan, Egypt,” he notes, “Palestinians are treated as second and third class citizens, a fact that has forced many of them to seek better lives in the U.S., Canada, Australia and various European countries.”

The situation is even worse in war-torn Syria, from which a much larger number of Palestinians have fled in the past three years.

“Not only do the Arab countries despise the Palestinians, they also want them to be the problem of Israel alone,” continues Abu Toameh. “That is why, since 1948, Arab governments have refused to allow Palestinians permanently to settle in their countries and become equal citizens. Now these Arab countries are not only denying Palestinians their basic rights, they are also killing and torturing them, and subjecting them to ethnic cleansing.”

What the Arab journalist finds “most interesting” is the “complete indifference displayed by international human rights organizations, the media and the Palestinian Authority toward the mistreatment of Palestinians in Arab countries.”

He is left to derisively conclude that “the UN and other international bodies have obviously not heard of the ethnic cleansing of Palestinians in the Arab world [because] they too are so obsessed with Israel that they prefer not to hear about the suffering of Palestinians under Arab regimes.”

## YESHUA REMEMBRANCE SERVICE

<sup>31</sup> "Here, the days are coming," says Y'HoVaH, "when I will make a re-newed Covenant with the house of Isra'el and with the house of Y'udah. <sup>32</sup> It will not be like the covenant I made with their fathers on the day I took them by their hand and brought them out of the land of Egypt; because they, for their part violated My Covenant, even though I, for my part, was a husband to them," says Y'HoVaH. <sup>33</sup> "For this is the Covenant I will make with the house of Israel after those days," says Y'HoVaH, "I will put My Torah within them and write it on their hearts; I will be their Elohim, and they will be My people.
