President Trump's Call with Prime Minister Netanyahu of Israel

www.whitehouse.gov January 22, 2017

WASHINGTON, DC – President Trump and Prime Minister Netanyahu spoke today by phone to discuss ways to advance and strengthen the U.S.-Israel special relationship, and security and stability in the Middle East. The President emphasized the importance the United States places on our close military, intelligence, and security cooperation with Israel, which reflects the deep and abiding partnership between our countries. The President and the Prime Minister agreed to continue to closely consult on a range of regional issues, including addressing the threats posed by Iran. The President affirmed his unprecedented commitment to Israel's security and stressed that countering ISIL and other radical Islamic terrorist groups will be a priority for his Administration. The President emphasized that peace between Israel and the Palestinians can only be negotiated directly between the two parties, and that the United States will work closely with Israel to make progress towards that goal. The President invited Prime Minister Netanyahu to an early February meeting at the White House.

TRUMP INAUGURAL ADDRESS - (Full Transcript)

Chief Justice Roberts, President Carter, President Clinton, President Bush, President Obama, fellow Americans and people of the world, thank you.

We, the citizens of America, are now joined in a great national effort to rebuild our country and restore its promise for all of our people.

Together, we will determine the course of America and the world for many, many years to come. We will face challenges. We will confront hardships. But we will get the job done.

Every four years we gather on these steps to carry out the orderly and peaceful transfer of power. And we are grateful to President Obama and first lady Michelle Obama for their gracious aid throughout this transition. They have been magnificent. Thank you.

Today's ceremony, however, has a very special meaning because today we are not merely transferring power from one administration to another or from one party to another, but we are transferring power from Washington, D.C., and giving it back to you, the people.

For too long, a small group in our nation's capital has reaped the rewards of government while the people have bore the cost.

Washington flourished, but the people did not share in its wealth. Politicians prospered but the jobs left and the factories closed.

The establishment protected itself, but not the citizens of our country. Their victories have not been your victories. Their triumphs have not been your triumphs. And while they celebrated in our nation's capital, there was little to celebrate for struggling families all across our land.

That all changes starting right here and right now, because this moment is your moment. It belongs to you.

It belongs to everyone gathered here today and everyone watching all

across America. This is your day. This is your celebration.

And this, the United States of America, is your country.

What truly matters is not which party controls our government, but whether our government is controlled by the people.

January 20th, 2017, will be remembered as the day the people became the rulers of this nation again.

The forgotten men and women of our country will be forgotten no longer. Everyone is listening to you now. You came by the tens of millions to become part of a historic movement, the likes of which the world has never seen before.

At the center of this movement is a crucial conviction that a nation exists to serve its citizens. Americans want great schools for their children, safe neighborhoods for their families and good jobs for themselves.

These are just and reasonable demands of righteous people and a righteous public. But for too many of our citizens, a different reality exists.

Mothers and children trapped in poverty in our inner cities, rusted out factories scattered like tombstones across the landscape of our nation.

An education system flush with cash but which leaves our young and beautiful students deprived of all knowledge.

And the crime and the gangs and the drugs that have stolen too many lives and robbed our country of so much unrealized potential. This American carnage stops right here and stops right now.

We are one nation, and their pain is our pain. Their dreams are our dreams, and their success will be our success. We share one heart, one home and one glorious destiny.

The oath of office I take today is an oath of allegiance to all Americans.

For many decades we've enriched foreign industry at the expense of American industry, subsidized the armies of other countries while allowing for the very sad depletion of our military.

We've defended other nations' borders while refusing to defend our own. And we've spent trillions and trillions of dollars overseas while America's infrastructure has fallen into disrepair and decay.

We've made other countries rich while the wealth, strength and confidence of our country has dissipated over the horizon.

One by one, the factories shuttered and left our shores with not even a thought about the millions and millions of American workers that were left behind.

The wealth of our middle class has been ripped from their homes and then redistributed all across the world. But that is the past, and now we are looking only to the future. But that is the past and now we are looking only to the future.

We assembled here today are issuing a new decree to be heard in every

city, in every foreign capital and in every hall of power. From this day forward, a new vision will govern our land. From this day forward, it's going to be only America first — America first.

Every decision on trade, on taxes, on immigration, on foreign affairs will be made to benefit American workers and American families. We must protect our borders from the ravages of other countries making our products, stealing our companies and destroying our jobs.

Protection will lead to great prosperity and strength. I will fight for you with every breath in my body. And I will never, ever let you down.

America will start winning again, winning like never before.

We will bring back our jobs. We will bring back our borders. We will bring back our wealth, and we will bring back our dreams. We will build new roads and highways and bridges and airports and tunnels and railways all across our wonderful nation. We will get our people off of welfare and back to work rebuilding our country with American hands and American labor. We will follow two simple rules — buy American and hire American.

We will seek friendship and goodwill with the nations of the world.

But we do so with the understanding that it is the right of all nations to put their own interests first. We do not seek to impose our way of life on anyone but rather to let it shine as an example. We will shine for everyone to follow.

We will reinforce old alliances and form new ones. And unite the civilized world against radical Islamic terrorism, which we will eradicate completely from the face of the earth.

At the bedrock of our politics will be a total allegiance to the United States of America and through our loyalty to our country, we will rediscover our loyalty to each other. When you open your heart to patriotism, there is no room for prejudice.

The Bible tells us how good and pleasant it is when God's people live together in unity. We must speak our minds openly, debate our disagreement honestly but always pursue solidarity. When America is united, America is totally unstoppable.

There should be no fear. We are protected, and we will always be protected. We will be protected by the great men and women of our military and law enforcement. And most importantly, we will be protected by God.

Finally, we must think big and dream even bigger. In America, we understand that a nation is only living as long as it is striving. We will no longer accept politicians who are all talk and no action, constantly complaining but never doing anything about it. The time for empty talk is over. Now arrives the hour of action.

Do not allow anyone to tell you that it cannot be done. No challenge can match the heart and fight and spirit of America. We will not fail. Our country will thrive and prosper again. We stand at the birth of a new millennium, ready to unlock the mysteries of space, to free the earth from the miseries of disease and to harness the energies, industries and technologies of tomorrow. A new national pride will stir ourselves, lift our sights and heal our divisions. It's time to remember that old wisdom our soldiers will never forget — that whether we are black or brown or white, we all bleed the same red blood of patriots.

We all enjoy the same glorious freedoms, and we all salute the same great

American flag.

And whether a child is born in the urban sprawl of Detroit or the windswept plains of Nebraska, they look up at the same night sky, they fill their heart with the same dreams and they are infused with the breath of life by the same Almighty Creator.

So to all Americans in every city near and far, small and large, from mountain to mountain, from ocean to ocean, hear these words — you will never be ignored again.

Your voice, your hopes and your dreams will define our American destiny. And your courage and goodness and love will forever guide us along the way. Together, we will make America strong again. We will make America wealthy again. We will make America proud again. We will make America safe again. And yes, together, we will make America great again. Thank you, God bless you, and God bless America. Thank you. God bless you. And God bless America. (*Emphasis added BGEMC*)

Brisbane March in Defence of Unborn - Saturday 11th February at 2:30pm.

An emailed appeal for support from ACL (Australian Christian Lobby)

“Friend –

In 2017 there is a lot at stake for unborn children in QLD. In less than 5 weeks the Parliament will consider terrible new abortion laws.

That's why this year's March for Life on Saturday Feb 11 is so important.

Your participation will make an impact on our politicians who are considering this very issue right now.

Without a doubt, this will be the most important march Queensland has ever held for the sake of life.

MPs are currently considering 2 abortion bills which will be debated in early March.

If passed these bills would:

- **allow abortion to birth for any reason, including for sex selection**
- **introduce unconstitutional limits to free speech**
- **removes safety mechanisms for vulnerable women**

The unborn, and the vulnerable need your voice and your feet!

The March for Life is a positive, fun afternoon of walking through the streets of Brisbane together with like-minded people.

Please come, and encourage your friends and church groups to come along as well.

When: Sat 11 Feb 2017, 2.30pm

Where: Queens Gardens, cnr George, Elizabeth and Williams streets. Followed by talks at Parliament House from 3pm.

Hope to see you there!

God bless

Wendy Francis

YESHUA REMEMBRANCE SERVICE

³¹ "Here, the days are coming," says Y'HoVaH, "when I will make a new Covenant with the house of Isra'el and with the house of Y'udah." ³² It will not be like the covenant I made with their fathers on the day I took them by their hand and brought them out of the land of Egypt; because they, for their part violated My Covenant, even though I, for my part, was a husband to them," says Y'HoVaH. ³³ "For this is the Covenant I will make with the house of Israel after those days," says Y'HoVaH, "I will put My Torah within them and write it on their hearts; I will be their Elohim, and they will be My people. (Yirem'yahu [*Jeremiah*] 31:31-33)

Congregation: *Isa 12:2* "See! Elohim is my salvation; I am confident and unafraid; for Y'HoVaH Elohim is my strength and my song, and He has become my salvation!" *Isa 12:3* Then you will joyfully draw water from the springs of salvation. *Ps 3:8* Victory comes from Y'HoVaH; may Your blessing rest on Your people. *Ps 46:7* Y'HoVaH Tzva'ot is with us, our fortress, the Elohim of Ya'akov. *Leader:* "Baruch ata Y'HoVaH, Eloheinu Melech Ha'olam, ha motze lechem m'in ha eretz." (divide challah)

Congregation: "Blessed are You Y'HoVaH our Elohim, King of the Universe who has brought forth bread from the earth. Y'HoVaH Tzva'ot, how happy is anyone who trusts in You! (Ps 84:12). Give victory Y'HoVaH! Let the King answer us the day we call. (Ps 20:9) I will take the cup of redemption and call upon the Name, Y'HoVaH. (Ps 116:13).

Leader: (with cup in right hand) "The cup of deliverance I raise and in the Name of Y'HoVaH, Yeshua HaMashiach, I call: Baruch atah Y'HoVaH, Eloheinu Melech, ha'olam, boray p'ri ha'gafen." (Replace cup with spices)

Congregation: Blessed are You, Y'HoVaH our Elohim, King of the universe, who creates the fruit of the vine.

Leader: Lifting spice container in right hand, says... "Baruch atah Y'HoVaH, Eloheinu Melech ha'olam, boray meenee besamim."

Congregation: Blessed are You, Y'HoVaH our Elohim, King of the universe, who creates the various spices.

Leader: As Avram gave to Malki-Tzedek according to B'resheet (Genesis) 14:18-20, let us all come and bring our offering; then take some Chullah; smell the spices; take your cup, return to your seats and wait, so we can partake together.

Leader: Pray in relation to what Yeshua has done in connection with the day's Torah portion. "Let us eat and drink together".

Malachi & Tamar: Aharonic Blessing (see Num 6:22-27). Our Abba and Elohim of our fathers, we thank you for the joy and rest of this Shabbat. May the coming week bring gladness & peace, health & achievement. Like the fragrance of the besamim, we pray that the days ahead bring sweetness to our lives and the lives of our loved ones. May the peace, which we are enjoying linger till we gather for Shabbat next week. We ask this in Yeshua's name, Amein.
