Netanyahu Kicks Off Australia Tour

By: ICEJ News - 22 Feb 2017

Israeli Prime Minister Benjamin Netanyahu had several important stops on his first day in Australia, meeting with Prime Minister Justin Turnbull and being given a warm welcome by Sydney's Jewish community. During his joint press appearance with Turnbull, Netanyahu had warm praise for US President Donald Trump taking "a strong stand against antisemitism" even as the issue has become one of high concern for Jews worldwide.

"The antisemitic threats targeting our Jewish community and community centers are horrible, and are painful, and are a very sad reminder of the work that still must be done to root out hate and prejudice and evil," Trump said in a statement issued Tuesday evening in Washington.

Jewish leaders in the US and Israel were expressing outrage Wednesday over an incident of vandalism which saw 170 gravestones at the Chesed Shel Emeth Jewish cemetery in St. Louis Missouri damaged over the weekend. The incident followed a series of fake bomb threats phoned into Jewish community centers across the US.

Netanyahu - first Israeli prime minister to visit Australia

Kehila News Israel by Amir Tsarfati, Feb 22, 2017

<https://kehilanews.com/2017/02/22/netanyahu-makes-history-again-as-first-israeli-prime-minister-to-visit-australia/>

Prime Minister Netanyahu landed in Australia Tuesday, making history twice in two days as the first Israeli prime minister to visit both Singapore and now Australia.

Prime Minister Netanyahu was invited to Australia in September of 2016 when Australian Foreign Minister Julie Bishop visited Israel.

During her meeting in September, Bishop spoke of growing relations between Israel and Australia, particularly in economy, innovation and technology, Bishop inviting Netanyahu to visit in 2017.

Following successful meetings with both Netanyahu and President Rivlin, Bishop stated, "I want to take this opportunity to reaffirm our absolute enduring commitment to the State of Israel and our friendship, and invite you to come to Australia. And we're thinking there's a little window of opportunity early next year maybe? And the Australian public would warmly embrace you, welcome you and we would look forward to the first visit of an Israeli prime minister ever to Australia."

On the future of Israeli-Australian relations, she stated "Our relationship has the potential to enter into new fields of endeavor, particularly in innovation where Israel is a world leader, and we are delighted that there will be a 'landing pad' in Tel Aviv, which shows we have much to learn from one another," referring to funded programs in high tech and academia cooperation.

Netanyahu is scheduled to visit with Governor-General Peter Cosgrove and Prime Minister Malcolm Turnbull, as well as numerous Australian officials. He will visit and meet with Jewish communities and hold meetings with various Australian businessmen. Prime Minister Netanyahu will spend Shabbat (the Sabbath) in Australia before returning to Israel on Sunday.

Netanyahu Holds Meeting With Australian Cabinet

ICEJ International News - 23 Feb 2017

Israeli Prime Minister Benjamin Netanyahu met with Australian equivalent of the Security Cabinet on Thursday, asking his hosts to follow the lead of US President Donald Trump in taking a more active interest in holding Iran accountable for its support of terrorism, development of weapons of mass destruction and deplorable domestic human rights record. Increased cooperation between Israel and Australia in military, security and related fields were also discussed.

Protesters Chant Anti-Israel Slogans

Not everyone was happy Netanyahu was in Australia though, as hundreds of protesters waving Palestinian and Hezbollah flags and holding posters comparing Netanyahu to Hitler marched through downtown Sydney on Thursday.

Arab reactions to Trump - *Israel Today*

The Arab Muslim world is having a difficult time accepting that Donald Trump is now president of the United States. The situation was exacerbated when Trump used his inauguration speech to reiterate commitments to “wipe out Islamic terror” and make it harder for Middle East Muslims to immigrate to America. A number of op-eds in leading Arabic newspapers noted that the Arab world has two options: acquiesce in the fact that Trump is the new president and work with him, or try to get him removed from office. There is a lingering misconception in the Arab world, where leaders are toppled with some regularity, that the American president can be similarly ousted.

SPECIAL: Three-Track Program to Destroy Trump

by Robert David STEELE Vivas -

www.phibetaiota.net/2017/02/special-three-track-program-to-destroy-trump/

I have been talking to a number of people including Alex Jones, Cynthia McKinney and others, and I clearly see the outlines of the final push to impeach Donald Trump and drive him out of office.

This assault on democracy, freedom, and liberty is pursuing three tracks:

TRACK ONE (CENSORSHIP): Eric Schmidt is organizing a massive censorship and propaganda program behind the scenes. AdRoll has just illegally and without due process deprived Alex Jones of over \$3M a year in ad revenue by asserting, without evidence and without legal process (and in violation of existing contracts) that Alex Jones is a purveyor of fake news that also targets demographic segments and slanders politicians. I have recommended to Alex

that he engage Brendan Sullivan and Danny Sheehan and roll out an immediate \$1 billion lawsuit against AdRoll and its co-conspirators Facebook, Google, Redditt, Twitter, YouTube, and Wikipedia. This is the softest fo the three tracks

TRACK TWO (A VIOLENT “AMERICAN SPRING”): George Soros is leading a massively funded effort to put a mix of paid and uninformed protestors into the streets beginning around 20 March — tens of thousands across the country, augmented by agitators dressed in black and causing property damage, as well as mercenaries who will shoot police officers dead and strive to blame it on Black Lives Matters and other innocents. This will culminate in a massive 3 million person march on Washington that will trash the city and seek to drive Donald Trump from office if he cannot be successfully impeached.

TRACK THREE (IMPEACHMENT OR RESIGNATION): The Mainstream Media (MSM) — the fake news media controlled by the Rothschilds, Wall Street, and the CIA as well as the Zionists and the Saudis — has begun to speak of treason and impeachment in relation to Donald Trump.

The US secret intelligence community, notably the rogue elements at NSA and CIA that have spied with impunity on US politicians and then turned around to blackmail them (at the same time that Wall Street, the Zionists, and the Saudis bribe them), is drawing together more fake evidence that Russia “owns” Donald Trump. Impeachment proceedings are likely to begin before 1 May, the intent being to drive Trump to resign, elevate Mike Pence who in all probability has cut a deal with the globalists and the two-party tyranny that serves the globalists, and reset the two-party tyranny, destroying our one hope at liberty in this generation.

Hats off to Cynthia McKinney for flagging the below video, <https://youtu.be/sNARlqQ9oE> and to Sean Stone for his continuing excellent work as a television interviewer and movie producer.

What Is To Be Done? - I (Robert D Steel) can save the Trump presidency but he has to hear the message and be ready to act on it. As best I can tell Steve Bannon has the memorandum and has probably tried to get the President to read it. Beyond that I do not know. Our President — our legitimately elected President now being attacked from all sides — has two weeks to think about and act on my suggestions. I have done all any citizen-patriot could do. I speak only the truth, with the best of intentions. Donald Trump is in enemy hands. Steve Bannon has a couple of days to make get the President to focus. I pray he succeeds.

Extremism is Built into Islam - Israel Today

In an interview with Egypt’s Al-Nahar TV, Egyptian intellectual Khaled Montaser explained why Muslims are involved in so many of the world’s conflicts. First, he pointed out that it’s only Muslim immigrants that cause a problem in Western nations. Members of other religions, such as Buddhism, integrate without causing a stir. Montaser said the problem is that many Muslims still see themselves as engaged in jihad. “There is a problem that we must acknowledge: our interpretation of our religion is in conflict with modernity.” He explained that while many try to blame extremism on poverty and other oppressive circumstances, in reality this

destructive behavior is being fueled by the holy texts of Islam. “We must admit,” he concluded, “that there are elements in our books of heritage that incite to this.”

Islamic State fires more rockets into southern Israel from Egypt

The Washington Times By L. Todd Wood - February 20, 2017

The Islamic State in Egypt seems to be gaining in strength and notoriety in the Sinai Peninsula of Egypt as the group claimed responsibility for more rockets fired into southern Israel Monday. The rockets landed in the Eshkol region in the south of the Jewish state. The rocket fire came after the Israeli Air Force fired a drone at a car carrying four members of the death cult, killing them all near Rafah, near Gaza. Earlier in February, the Islamic State fired rockets at the southern Israeli town of Eliat.

Hamas, the Palestinian terror organization that controls the Gaza Strip, has been harboring Islamic State leaders, sheltering them from Israeli and Egyptian security forces. With Islamic State being countered inside Iraq and Syria, the Egyptian offshoot could become more of a threat. The Iron Dome missile system was not fired and the Red Alert not sounded as the rockets landed harmlessly in a field and did not threaten populated areas, reported JTA.

Israel Recruits 'Licensed' Hackers

Israel Today By Yossi Aloni, March 2017 edition

There was something different about the Cybertech Security Conference in Israel this year: the open participation of both the Mossad spy agency and Shin Bet domestic security service. Shin Bet chief Nadav Argaman was like the “spy who came in from the cold,” appearing in public and declaring that his agency is recruiting hackers to aid in Israel’s cyber security. *Israel Recruits ‘Licensed’ Hackers’*.

The Shin Bet had its own booth featuring the Escape Bus—a challenging, state-of-the-art facility fitted into a bus. Inside, conference participants were given the opportunity to tackle some of the situations the Shin Bet’s cyber department faces every day. Many of those who took the test reported that “reality is stranger than fiction.”

The pitches offered by those manning the booth were “Join the Shin Bet to become a licensed hacker” and “Become a fully-authorized cyber operator.” For those who live and breathe cyber security, defending Israel against terrorist threats is one of the most challenging and exciting jobs available.

ShinBet officials explained that those wishing to become official “hackers” need to be creative and think outside the box. “High-quality intelligence, cutting-edge technology and first-rate human capital are the prerequisites for the Shin Bet to meet the challenges it faces in defending the citizens of the State of Israel,” said Argaman.

“The agency’s cyber technology setup is at the forefront of global technology.” In fact, hi-tech specialists make up one-quarter of the manpower at the Shin Bet, and they play a huge role in keeping Israel safe. “This is a never-ending start-up enterprise,” said the security chief. “Many terrorist attacks have been prevented owing to quality intelligence received from our cyber technology department and the excellent individuals who operate it.”

YESHUA REMEMBRANCE SERVICE

³¹ "Here, the days are coming," says Y'HoVaH, "when I will make a new Covenant with the house of Isra'el and with the house of Y'udah." ³² It will not be like the covenant I made with their fathers on the day I took them by their hand and brought them out of the land of Egypt; because they, for their part violated My Covenant, even though I, for my part, was a husband to them," says Y'HoVaH. ³³ "For this is the Covenant I will make with the house of Israel after those days," says Y'HoVaH, "I will put My Torah within them and write it on their hearts; I will be their Elohim, and they will be My people. (Yirem'yahu [*Jeremiah*] 31:31-33)

Congregation: *Isa 12:2* "See! Elohim is my salvation; I am confident and unafraid; for Y'HoVaH Elohim is my strength and my song, and He has become my salvation!" *Isa 12:3* Then you will joyfully draw water from the springs of salvation. *Ps 3:8* Victory comes from Y'HoVaH; may Your blessing rest on Your people. *Ps 46:7* Y'HoVaH Tzva'ot is with us, our fortress, the Elohim of Ya'akov. *Leader:* "Baruch ata Y'HoVaH, Eloheinu Melech Ha'olam, ha motze lechem m'in ha eretz." (divide challah)

Congregation: "Blessed are You Y'HoVaH our Elohim, King of the Universe who has brought forth bread from the earth. Y'HoVaH Tzva'ot, how happy is anyone who trusts in You! (Ps 84:12). Give victory Y'HoVaH! Let the King answer us the day we call. (Ps 20:9) I will take the cup of redemption and call upon the Name, Y'HoVaH. (Ps 116:13).

Leader: (with cup in right hand) "The cup of deliverance I raise and in the Name of Y'HoVaH, Yeshua HaMashiach, I call: Baruch atah Y'HoVaH, Eloheinu Melech, ha'olam, boray p'ri ha'gafen." (Replace cup with spices)

Congregation: Blessed are You, Y'HoVaH our Elohim, King of the universe, who creates the fruit of the vine.

Leader: Lifting spice container in right hand, says... "Baruch atah Y'HoVaH, Eloheinu Melech ha'olam, boray meenee besamim."

Congregation: Blessed are You, Y'HoVaH our Elohim, King of the universe, who creates the various spices.

Leader: As Avram gave to Malki-Tzedek according to B'resheet (Genesis) 14:18-20, let us all come and bring our offering; then take some Chullah; smell the spices; take your cup, return to your seats and wait, so we can partake together.

Leader: Pray in relation to what Yeshua has done in connection with the day's Torah portion. "Let us eat and drink together".

Malachi & Tamar: Aharonic Blessing (see Num 6:22-27). Our Abba and Elohim of our fathers, we thank you for the joy and rest of this Shabbat. May the coming week bring gladness & peace, health & achievement. Like the fragrance of the besamim, we pray that the days ahead bring sweetness to our lives and the lives of our loved ones. May the peace, which we are enjoying linger till we gather for Shabbat next week. We ask this in Yeshua's name, Amein.
