# TRUMP AIDE AND ISRAELI ARMY WARN OF WAR AS GAZA MISSILES FLY

August 9, 2018

<https://unitycoalitionforisrael.org/?p=15707731>

JERUSALEM (JTA) — After firing more than 180 rockets into civilian areas, armed terror groups in Gaza said Thursday afternoon that they would refrain from firing on southern Israel if Israel also maintains the calm.

Shortly after the announcement, however, more rockets were fired from Gaza at Israel. Code Red rocket alert sirens were sounded as far away from the Gaza border as Beersheba, the first time that sirens have gone off in the city since the 2014 Gaza War. At least two rockets exploded in open areas near Beersheba.

The firing of rockets from Gaza and retaliation by the Israel Defense Forces led U.S. Middle East peace envoy Jason Greenblatt to suggest in a tweet that the Hamas leaders in Gaza were leading the Gazan Palestinians to the brink of war. ““Hamas regime again is launching rockets at Israeli communities,” he wrote. “Another night of terror & families huddling in fear as Israel defends itself. This is the Hamas regime’s choice. Hamas is subjecting people to the terrifying conditions of war again.”

An IDF official also suggested that

Israel could get into another war with Gaza over the attacks.

“After a night of more rockets, we don’t see an end to the escalation. We are closing in on operation in Gaza,” an unnamed senior military officer said Thursday. He said Hamas has been on a course of “conflict and friction” since late March.

As of Thursday afternoon, more than 180 rockets had been fired from Gaza into Israel, with 30 intercepted by the Iron Dome missile defence system.

One woman, a foreign worker from Thailand, was seriously injured early Thursday morning when one of the rockets hit a home in a community on the border with Gaza. By Thursday afternoon she had regained consciousness and was taken off a respirator. Several homes and factories, as well as cars, were damaged in southern Israeli communities after being hit by rockets and shrapnel.

The IDF targeted over 150 Hamas military sites in response, including weapons production facilities and storage warehouses, as well as training facilities, the IDF said in a statement.

Defense Minister Avigdor Liberman on Thursday spoke with the leaders of the southern Israeli communities under fire and told them the Israel Defense Forces would do whatever it takes to end the attacks from the Gaza Strip, according to the Defence Ministry.

The Gaza military command center was quoted on Thursday afternoon as

announcing that the “current escalation in Gaza has ended,” according to Al-Jazeera.

“The resistance responded to the enemy’s crimes in Gaza,” it said. “The continuation of calm in Gaza depends on the occupation’s behavior.”

Hamas had threatened an escalation after Israel fired Tuesday on a Hamas military post in northern Gaza in response to the shooting at Israeli troops from there. Two Hamas operatives were killed. It later emerged that the bullets fired at the Israeli troops were errant fire from a Hamas training exercise, which Israel acknowledged after an investigation.

“The way things continue to play out is significant,” the IDF said in a tweet. “Hamas will understand in the coming hours, as in the past months, that this is not the direction it wants to choose.”

A meeting of Israel’s Security Cabinet was scheduled to be convened Thursday evening at the Defense Ministry’s headquarters in Tel Aviv.

A hot-air balloon festival scheduled to be held over the weekend at the Habsor National Park near the border with Gaza was cancelled.

# WHY ARAB-ISLAMIC CULTURE AND DEMOCRACY ARE INCOMPATIBLE

*Unity Coalition of Iserael  
By Prof. Paul Eidelberg*

[https://www.democracyunderattack.org/?p=1130%3futm\\_source=newsletter&utm\\_campaign=nl\\_open&utm\\_medium=email](https://www.democracyunderattack.org/?p=1130%3futm_source=newsletter&utm_campaign=nl_open&utm_medium=email)

There are fundamental and insuperable contradictions between democracy and Arab-Islamic culture, among which are the following:

1. Whereas democracy is based on the primacy of the individual, Arab-Islamic culture is based on the primacy of the group – be it the village or the extended family. The individual Arab or Muslim has no identity outside the group; it is to the group that he owes his loyalty. This is one reason why internecine conflict has been endemic among Arabs throughout their history.

2. Democracy is based on consent, pluralism, and persuasion. Differences are resolved by discussion and mutual concessions, and agreements are usually abiding. In contrast, Islamic culture is based on the primacy of coercion. Agreements between rival factions do not really terminate animosities, which is why such agreements are so short-lived.

3. Freedom is one of the two cardinal principles of democracy. This is not the

case of Arab-Islamic culture, which is strictly authoritarian and whose media are government-controlled. The radical separation of religion and politics found in democracy is foreign to Islamic regimes.

4. Unlike democracy, whose other cardinal principle is equality, Arab-Islamic culture is strictly hierarchical. Top-down leadership is a fundamental principle of Islamic theology.

5. Democracy is generally regarded as a process – the “rules of the game” – by which various individuals pursue their private interests and have diverse “lifestyles.” In contrast, Arab-Islamic culture binds everyone to the substantive values prescribed in the Koran.

6. Whereas democratic societies are preoccupied with the present, Arab-Islamic culture exists under the aspect of eternity colored by events of the past and dreams of the future.

7. Unlike democracy, which is steeped in secularism, Arab-Islamic culture is rooted in religion. The radical separation of religion and politics found in democracy is foreign to Islamic regimes.

8. The peaceful tendencies and publicity found in democracy stand in striking contrast to the militancy and dissimulation characteristic of Islam. On this point, consider the assessment of the late Professor Yehoshafat Harkabi, once head of Israeli Military Intelligence.

Prof. Harkabi refers to Islam as a “combatant,” “expansionist” and “authoritarian” creed. He admits that “the idea of jihad is fundamental in Islam,” in consequence of which “hatred,” “hostility” and “conflict” are endemic to Arab culture.

Moreover, he quotes the liberated Arab sociologist Dr. Sonia Hamady, who writes: “The Arabs usually look for external causes of their frustrations; they prefer to put the blame on some scapegoats [like Israel or America, the ‘Great Satan’].” Furthermore, “Lying,” she says, “is a widespread habit among Arabs, and they have a low idea of truth.”

Viewed in this light, democracy in the Arab-Muslim world is more fondly to be wished for than expected.

# PEW RESEARCH: MUSLIM BELIEF

Jul 26 2018 | by Bill Warner

[www.politicalislam.com](http://www.politicalislam.com)

<https://www.politicalislam.com/pew-research-muslim-belief/>

Pew Research did a worldwide survey about what Muslims believe and practice [I call this sociology, Muslimology]. Their data was used to create a global picture of Islam. This survey shows us that 40% of Muslims are devout. They not only practice the Five Pillars, but go further and follow the Sunna of Mohammed.

Devout Muslims want the Sharia, not our laws. Many want Sharia to apply to the Kafir as well. Nearly one in five devout Muslims wants Kafirs to be attacked to defend Islam.

The demands for more and more Sharia will never cease. We need to understand that the Sharia means the end of our civilization.

## MODERN SLAVERY BILL PASSES NSW PARLIAMENT

*Australian Prayer Network Newsletter*

The Christian Democratic Party is pleased to report that the Modern Slavery Bill 2018 has passed the NSW Parliament. **It is the first Act of its kind in Australia that works to abolish modern day slavery in all its forms.**

The Modern Slavery Act addresses modern day slavery in various forms including; human trafficking, where people are kidnapped and forced to provide services against their will, such as in the forced sex trade; debt bondage, where men, women and children are forced to work to pay off a debt, often the cost of them travelling to a new country; forced labour, where men and women are forced to work long hours and are underpaid for the services they provide; and forced marriage where young children and young women are often forced into marriages that they did not consent too.

# YESHUA REMEMBRANCE SERVICE

**Leader:** <sup>31</sup> "Here, the days are coming," says Y'HoVaH, "when I will make a new Covenant with the house of Isra'el and with the house of Y'hudah. <sup>32</sup> It will not be like the covenant I made with their fathers on the day I took them by their hand and brought them out of the land of Egypt; because they, for their part violated My Covenant, even though I, for my part, was a husband to them," says Y'HoVaH. <sup>33</sup> "For this is the Covenant I will make with the house of Israel after those days," says Y'HoVaH, "I will put My Torah within them and write it on their hearts; I will be their Elohim, and they will be My people. (Yirem'yahu ~*Jeremiah 31:31-33*)

**Congregation:** *Isa 12:2* "See! Elohim is my salvation; I am confident and unafraid; for Y'HoVaH Elohim is my strength and my song, and He has become my salvation!" *Isa 12:3* Then you will joyfully draw water from the springs of salvation. *Ps 3:8* Victory comes from Y'HoVaH; may Your blessing rest on Your people. *Ps 46:7* Y'HoVaH Tzva'ot is with us, our fortress, the Elohim of Ya'akov.

**Leader:** "Baruch ata Y'HoVaH, Eloheinu Melech Ha'olam, ha motze lechem m'in ha eretz."  
**Divide Chullah ~platted loaf**

**Congregation:** "Blessed are You Y'HoVaH our Elohim, King of the Universe who has brought forth bread from the earth. Y'HoVaH Tzva'ot, how happy is anyone who trusts in You! (*Ps 84:12*). Give victory Y'HoVaH! Let the King answer us the day we call. (*Ps 20:9*) I will take the cup of redemption and call upon the Name, Y'HoVaH. (*Ps 116:13*).

**Leader:** (with cup in right hand) "The cup of deliverance I raise and in the Name of Y'HoVaH, Yeshua HaMashiach, I call: Baruch atah Y'HoVaH, Eloheinu Melech, ha'olam, boray p'ri ha'gafen." (Replace cup with spices)

**Congregation:** Blessed are You, Y'HoVaH our Elohim, King of the universe, who creates the fruit of the vine.

**Leader:** Lifting spice container in right hand, says... "Baruch atah Y'HoVaH, Eloheinu Melech ha'olam, boray meenee besamim."

**Congregation:** Blessed are You, Y'HoVaH our Elohim, King of the universe, who creates the various spices.

**Leader:** As Avram gave to Malki-Tzedek according to B'resheet ~*Genesis 14:18-20*, let us all come, make our offering, take some Chullah; smell the spices; take your cup and return to your seats and wait, so we can partake together.

**Leader:** Pray in relation to what Yeshua has done in connection with the day's Torah portion. "Let us eat and drink together".

**Aharonic Blessing (Hebrew & English) from Tamar & Malachi (Num 6:22-27)**

**Leader:** Our Abba and Elohim of our fathers, we thank you for the joy and rest of this Shabbat. May the coming week bring gladness & peace, health & achievement. Like the fragrance of the besamim, we pray that the days ahead bring sweetness to our lives and the lives of our loved ones. May the peace, which we are enjoying linger till we gather for Shabbat next week.

We ask this in Yeshua's name, Amein.
