# Hamas Exposed: Iran, Qatar, and Turkey Funding Terrorist Activities in Gaza

By Jennie Taer

from <https://saraacarter.com>

▶ **Hamas receives \$100-200 million in foreign aid each year, but squanders most of its resources on terroristic activities**

▶ **A report found that a Turkish company was used to help Hamas terrorists obtain visas, real estate, and luxury vehicles.**

▶ **The emir of Qatar recently pledged his support for Hamas**

Hamas has become one of the most well-equipped terrorist organizations in the world, with advanced rocket-building, cyber hacking capabilities and military training tactics against Israel.

However, this is not without international assistance. Hamas receives an estimated \$100-200 million dollars from foreign allies each year, with the majority of financing coming from Turkey, Qatar, and Iran.

## Turkey's Role in Funding Hamas

Turkey has become a major player in Hamas' financing, while remaining a NATO ally. The Foundation for Defense of Democracies Senior Vice President, Jonathan Schanzer, told SaraACarter.com, "Turkey has become the top external headquarters for Hamas. Senior military and financial officials from the terrorist organization are welcomed in Turkey." Schanzer continued, "Turkey has, in some cases, turned a blind eye to their military and financial activity. In some cases, it has actively assisted Hamas. This kind of behavior is not befitting a NATO member state. Between this, Turkey's Iran sanctions-busting, its support for Jihadists in Syria and its authoritarian rule at home, there is a good argument to be made for ejecting Turkey from NATO. The problem is that NATO lacks a procedure for this."

The United States is dealing firsthand with Turkey's unbecoming behavior. American Pastor, Andrew Brunson remains a religious hostage of Turkey. According to the American Center for Law and Justice, Brunson has been held for close to 700 days. The ACLJ and the European Centre for Law & Justice

submitted a request to the United Nations calling for the immediate release of Brunson who is being unjustly held for alleged “Christianization”.

President Erdogan’s political posturing has shifted Turkey from a more secular state, to what some analysts describe as a more stringent, religious dictatorship.

In early January 2018, The Israel Security Agency (ISA) arrested two suspected terrorist operatives, Cemil Tekeli and Daram Jabarin. The suspects were found to have direct links to Hamas’ illicit financial and military schemes in Turkey.

According to the ISA, Tekeli, a law professor in Turkey, was recruited to assist Turkish defense consulting firm, SADAT, which specializes in foreign military training. Tekeli was working with the firm to funnel money to Hamas. According to the report, SADAT “was founded to assist – with funds and war materiel – the creation of the ‘Palestine Army’, the goal of which is to fight Israel. One of its employees

even helped senior Hamas officials to visit a 2015 weapons show in Turkey, during which they expressed interest in UAVs.”

According to the ISA investigation, Tekeli used the company to establish legitimacy for Hamas terrorists working in Turkey helping them obtain visas, real estate, and luxury vehicles.

Daram Jabarin, the second suspect, was an Israeli citizen. He worked under the concealment of IMES, a company owned and operated by Hamas in Turkey. IMES was another one of Hamas’ commercial money laundering schemes. Jabarin made many trips to Turkey returning each time with tens of thousands of Euros.

Both suspects were recruited by Hamas terrorists released in an exchange with the Israeli government for Gilad Shalit, an Israeli soldier taken hostage by Hamas in 2006.

### **Qatar’s Assistance for Gazan Infrastructure**

Hamas abuses the foreign aid they receive and directs almost all of its resources into terrorism, neglecting many of the basic needs of its people. Because of this, Qatar has stepped in to help the terrorist organization cover its tracks.

In early 2018, the emir of Qatar, Tamim bin Hamad Al Thani, renewed his support for Hamas, pledging \$9 million dollars in continued aid to the people of Gaza, footing the bill for medicine, food, and energy.

## Iran: A Leading Sponsor of Terrorism

According to the 2017 State Department Assistance Related to International Terrorism Report, Iran remains one of the leading sponsors of terrorism abroad. Recently, Hamas launched hundreds of smuggled, Iranian-made rockets into Israel, according to Israeli security forces.

Hamas' mission is clear: wipe the State of Israel off the face of the map at all costs. They are so desperate to do so, that they drag their own people into their operations, paying civilians to become public relations pawns for international media attention.

According to the Israel Defense Forces, "Hamas provided free transportation from throughout the Gaza Strip to the border for innocent civilians, including women and children...paying \$14 a person or \$100 a family for attendance and \$500 if they managed to get injured."

This was all part of a lie. What the media called "violent protests," turned out to be staged theatrics. Hamas is only going to continue to advance their evil agenda with the help of Turkey, Qatar, and Iran.

## Social Media/Big Tech.

<https://qmap.pub/themes> 75

The age of the MSM is over. Social Media has taken over as the number one source for news. POTUS recognized this fact and used Social

Media to bypass the MSM and speak directly to his base. They were not prepared for this and lost control of the narrative... They have since redoubled their efforts to censor and block conservative voices on the Social Media platforms.

The current censorship all relates to push for power (mid-term elections). The Social Media companies have engaged in illegal activities (24/7 spying/tracking, mass real-time surveillance, privacy violations) that will crush them. POTUS has issued sealed orders to prevent social media blackouts and to provide stronger oversight. Future bills such as the "Internet Bill of Rights" will 100% regulate the Social Media platforms.

## Trump: 'Two states works best, but one state is fine'

By Tovah Lazaroff Sept/27,2018

Trump repeated his first ever endorsement of the two-state solution since taking office, which he had made earlier in the day, when he met with Israeli Prime Minister Benjamin Netanyahu.

A two state resolution to the Israeli-Palestinian conflict works best because it allows for people to govern themselves, US President Donald Trump told reporters at a news conference in New York.

He repeated his first ever endorsement of the two-state solution since taking office, which he had made earlier in the day, when he met with Israeli Prime Minister Benjamin Netanyahu.

But at the same time, Trump repeated for the reporters the line that he had said when he first entered office, that if both the Israelis and Palestinians wanted to see a one state resolution to the conflict, he would go with that.

Trump said the issue was raised when a reporter asked him about the issue of one state versus two states while he sat with Netanyahu.

The President said he responded by stating: “I think the two state [resolution] will happen.” Then he added, “I think in one way it is more difficult because it is a real estate deal. It is a little tougher deal. But in another way it works better because you have people governing themselves.

“I think we are going to go down the two state road. I am glad I got it out. And Jared who is so involved. He loves Israel. But he is also going to be very fair with the Palestinians.

“It takes two groups of people to be happy. Everyone has to be happy. That is why it is so tough. There has been so much hatred and anger for so many

years.

“I said I think it will be a two state. By saying that, I put it out there. If you ask most of the people in Israel they agree with that, but no one wanted to say it. It is a big thing to put it out.

“Bottom line. If the Israelis and the Palestinians want one state that is OK with me. If they want two states, that is OK with me. I am happy if they are happy. I am a facilitator. I want to see if I can get a deal done, so people do not get killed any more.”

## **Report: Palestinian Textbooks Claim Entirety of Israel as Arab Land, Call Jews ‘Sinful and Liars’**

(Worthy News) - Palestinian Authority textbooks encourage children to view the entirety of Israel as Arab territory, and teach them to seek the land’s liberation even at the cost of martyrdom, according to a new report by a Jerusalem-based research group.

Palestinian nationalist and Islamist ideologies that reject Israel’s basic legitimacy saturate lessons for children as young as six, with various science, math, and humanities exercises all reinforcing this overarching narrative, the Institute for Monitoring Peace and Cultural Tolerance in School Education (IMPACT-se) found.

# YESHUA REMEMBRANCE SERVICE

**Leader:** <sup>31</sup> "Here, the days are coming," says Y'HoVaH, "when I will make a new Covenant with the house of Isra'el and with the house of Y'hudah. <sup>32</sup> It will not be like the covenant I made with their fathers on the day I took them by their hand and brought them out of the land of Egypt; because they, for their part violated My Covenant, even though I, for my part, was a husband to them," says Y'HoVaH. <sup>33</sup> "For this is the Covenant I will make with the house of Israel after those days," says Y'HoVaH, "I will put My Torah within them and write it on their hearts; I will be their Elohim, and they will be My people. (Yirem'yahu ~*Jeremiah 31:31-33*)

**Congregation:** *Isa 12:2* "See! Elohim is my salvation; I am confident and unafraid; for Y'HoVaH Elohim is my strength and my song, and He has become my salvation!" *Isa 12:3* Then you will joyfully draw water from the springs of salvation. *Ps 3:8* Victory comes from Y'HoVaH; may Your blessing rest on Your people. *Ps 46:7* Y'HoVaH Tzva'ot is with us, our fortress, the Elohim of Ya'akov.

**Leader:** "Baruch ata Y'HoVaH, Eloheinu Melech Ha'olam, ha motze lechem m'in ha eretz."  
**Divide Chullah ~platted loaf**

**Congregation:** "Blessed are You Y'HoVaH our Elohim, King of the Universe who has brought forth bread from the earth. Y'HoVaH Tzva'ot, how happy is anyone who trusts in You! (*Ps 84:12*). Give victory Y'HoVaH! Let the King answer us the day we call. (*Ps 20:9*) I will take the cup of redemption and call upon the Name, Y'HoVaH. (*Ps 116:13*).

**Leader:** (with cup in right hand) "The cup of deliverance I raise and in the Name of Y'HoVaH, Yeshua HaMashiach, I call: Baruch atah Y'HoVaH, Eloheinu Melech, ha'olam, boray p'ri ha'gafen." (Replace cup with spices)

**Congregation:** Blessed are You, Y'HoVaH our Elohim, King of the universe, who creates the fruit of the vine.

**Leader:** Lifting spice container in right hand, says... "Baruch atah Y'HoVaH, Eloheinu Melech ha'olam, boray meenee besamim."

**Congregation:** Blessed are You, Y'HoVaH our Elohim, King of the universe, who creates the various spices.

**Leader:** As Avram gave to Malki-Tzedek according to B'resheet ~*Genesis 14:18-20*, let us all come, make our offering, take some Chullah; smell the spices; take your cup and return to your seats and wait, so we can partake together.

**Leader:** Pray in relation to what Yeshua has done in connection with the day's Torah portion. "Let us eat and drink together".

**Aharonic Blessing (Hebrew & English) from Tamar & Malachi (Num 6:22-27)**

**Leader:** Our Abba and Elohim of our fathers, we thank you for the joy and rest of this Shabbat. May the coming week bring gladness & peace, health & achievement. Like the fragrance of the besamim, we pray that the days ahead bring sweetness to our lives and the lives of our loved ones. May the peace, which we are enjoying linger till we gather for Shabbat next week.

We ask this in Yeshua's name, Amein.
