## US Revises View on Jewish Communities in Judea and Samaria

*Bridges for Peace by: Joshua Spurlock  
November 20, 2019  
<https://tinyurl.com/vv424yd>*

The Trump Administration announced a change in the American perspective on the legality of Israeli [communities] in Judea and Samaria on Monday, reversing the position of the Obama Administration that had called the civilian communities illegal. “The establishment of Israeli civilian settlements in the West Bank [Judea and Samaria] is not per se inconsistent with international law,” United States Secretary of State Mike Pompeo told reporters. “...We believe that what we’ve done today is we have recognized the reality on the ground...and we have provided...the very space for Israel and the Palestinians to come together to find a political solution to this very, very vexing problem.”

Pompeo, whose comments were published by the State Department,

made it clear the US was not commenting on the legality of specific [communities], noting Israel’s court system has repeatedly addressed that issue. For the US, the control of territory in the Biblical heartland—claimed by the Palestinians in what they call the West Bank—is a matter for peace negotiations between the sides.

Israeli Prime Minister Benjamin Netanyahu celebrated the move. “This policy reflects a historical truth—that the Jewish people are not foreign colonialists in Judea and Samaria. In fact, we are called Jews because we are the people of Judea.”

In addition to the history, Netanyahu agreed with Pompeo that the US decision can positively impact the Middle East peace process.

“The Trump Administration policy is also correct in stating that those who have categorically denied any legal basis for the settlements not only deny truth, history and the reality on the ground, they also set back the cause of peace, which can only be achieved through direct negotiations between the parties,” said Netanyahu on Monday in comments released by his office.

“...Israel remains ready and willing to conduct peace negotiations with the Palestinians regarding all final status issues in an effort to achieve a durable peace but will continue to reject all arguments regarding the illegality of the

settlements.”

Israel captured the territory from Jordan in the 1967 defensive war that saw Israel also retake eastern Jerusalem. Since then, hundreds of thousands of Israelis have moved into Judea and Samaria, building communities in Biblical locations such as Hebron and Beit El. The Palestinians have claimed that the dwellings are illegal since they accuse Israel of occupying their territory.

Citing a somewhat fluid approach on the issue by the various United States presidential administrations over the last four decades, Pompeo said the Trump Administration agreed with former President Ronald Reagan’s view on the legality of the [communities].

“Subsequent administrations recognized that unrestrained settlement activity could be an obstacle to peace, but they wisely and prudently recognized that dwelling on legal positions didn’t advance peace,” said Pompeo, criticizing the government of Barack Obama for “publicly reaffirming the supposed illegality of settlements.”

“Calling the establishment of civilian settlements inconsistent with international law hasn’t worked. It hasn’t advanced the cause of peace,” said Pompeo.

“The hard truth is there will never be a judicial resolution to the conflict, and arguments about who is right and wrong as a matter of international

law will not bring peace. This is a complex political problem that can only be solved by negotiations between the Israelis and the Palestinians.”

Netanyahu said the US decision “rights a historical wrong.”

Said the Israeli premier, “Israel’s legal system, which has proven itself fully capable of addressing legal questions related to the settlements, is the appropriate place for these matters to be adjudicated—not biased international forums that pay no attention to history or facts.

“[Israel] calls upon all responsible countries who hope to advance peace to adopt a similar position.”

*BFP Editor’s Note: Jewish communities in Judea and Samaria as well as the Golan Heights are often referred to in the international community as “settlements” or by those who do not recognize Israeli sovereignty over the land as “illegal settlements.”*

### 3613 - What Happens When 90% of the Media is Controlled /Owned by (6)Corporations?

Q !!mG7V]xZNCI 22 Nov 2019 - 8:00:19 AM AEST

What happens when 90% of the media is controlled/owned by (6) corporations?

What happens when those same corporations are operated and controlled by a political ideology?

What happens when the news is no longer free from bias?

What happens when the news is no longer reliable and independent?

What happens when the news is no longer trustworthy?

What happens when the news simply becomes an extension/arm of a political party?

Fact becomes fiction?

Fiction becomes fact?

When does news become propaganda?

Identity creation?

How does the average person, who is under constant financial stress (by design), find time to research and discern fact v fiction?

Majority of people more prone to

believe someone in power sitting behind a big brand 'news' name?

Do people [human psyche] tend to follow the 'majority/mainstream viewpoint' in fear of being isolated and/or shunned?

'Mainstream' is used for a reason [dominate trend in opinion].

[If majority of people believe 'x' then 'x' must be validated / true]

Why do 'mainstream' media heads, within different orgs, always use the same keywords and/or catch phrases?

Coordinated? By who? Outside entity providing instructions?

Do they count on the fact that people [human psyche] are more prone to believe something if heard over-and-over again by different 'trusted' sources?

Do 'echo chamber' tactics provide validation / credibility to the topic/point being discussed?

Threat to intellectual freedom?

Would control over[of] these institutions/organizations allow for the mass control of a populations viewpoint re: a desired topic?

Read again – digest.

Would control over[of] these institutions/organizations allow for the mass control of a populations viewpoint re: a desired topic?

Logical thinking.

Why, after the election of 2016, did [D]'s and media corps jumpstart a [coordinated & planned] divisive blitz intended to create falsehoods re: illegitimacy of election, character assassination of POTUS through sexism, racism, every other 'ism'?

Pre/post 2016 election?

Why were violent [masked] terror orgs such as Antifa immediately created/funded?

Why were these orgs tasked w/ immediate intimidation/shut down of any pro-POTUS rally[s] and/or events?

Why were marches immediately organized to counter and silence pro-POTUS rally[s] and/or events?

Why were marches immediately organized which divided people into sex/gender, race, [ism]?

When you control the levers of news dissemination, you control the narrative.

Control of the narrative = power

When you are blind, what do you see?

They want you divided.

Divided by religion.

Divided by sex.

Divided by political affiliation.

Divided by class.

When you are divided, and angry, and controlled, you target those 'different' from you, not those

responsible [controllers].

Divided you are weak.

Divided you pose no threat to their control.

When 'non-dogmatic' information becomes FREE & TRANSPARENT it becomes a threat to those who attempt to control the narrative and/or stable [livestock kept - sheep].

When you are awake, you stand on the outside of the stable ('group-think' collective), and have 'free thought'.

"Free thought" is a philosophical viewpoint which holds that positions regarding truth should be formed on the basis of logic, reason, and empiricism, rather than authority, tradition, revelation, or dogma.
