# ENDING THE 1901 PLAN

## Storm Arrives To Deal With It

By Wayne Jett © March 26, 2020

[https://www.classicalcapital.com/Ending\\_The\\_1901\\_Plan.html](https://www.classicalcapital.com/Ending_The_1901_Plan.html)

“Since the 2016 campaign for U. S. president began, Americans have witnessed an intense demonstration of the globalist cabal’s influence in the three branches of federal government. This remarkable learning experience was made possible by the historic election of an anti-cabal president, Donald J. Trump, who has benefited from adequate personal security in office for the first time since President Andrew Jackson self-protected with his own pistols during 1829-1836. President Trump has done much more than merely survive the cabal’s actions against him and the nation; he has mounted a multi-national counter-assault to disable, disarm and destroy the power centers and principals of the globalist cabal.

### The 1901 Plan

Presently Americans are occupied by what appears to be a bio-weapon deployed against the world by the cabal with intent to produce something approximating the deadly results of its “Spanish influenza” epidemic of 1918, which was an

important element of what is becoming known as the 1901 plan. The 1918 “flu” was introduced into the war zones of Spain during the last months of World War I, most likely by intentional infection of a company of Army troops from Ft. Leavenworth, Kansas, as they shipped out to battle.

The 1918 bio-weapon eventually killed a much greater number of young, vigorous Americans (mostly civilians) than all U. S. wars combined to the present date, plus millions more victims worldwide. Fortunately, the current virus appears to be less deadly, while public health responses have been much more comprehensive – in fact, astonishingly so.

Considering all that was done throughout the 20th Century to fulfill the objectives of the 1901 plan, it seems appropriate to consider the current outbreak of disease to be a continuation of the 1901 plan, which expressly extended through the year 2000.

The 1901 plan included clearly stated goals to:

- (1) undermine each national government to the point of collapse into a top-down system of global control;
- (2) totally eliminate the “middle class,” defined as all persons supporting themselves independently;
- (3) find methods by the year 2000 to poison every human not needed to serve the global rulers;

- (4) establish a network of privately owned central banks to control issuance of currency in every nation;
- (5) establish taxes on earned income (the hallmark of the middle class) with higher tax rates applicable to higher income levels;
- (6) establish death taxes at high rates to confiscate large estates of wealthy people unwilling to support the 1901 plan; and
- (7) create a new type of man capable of taking “full power” by acting on the principle that, as a creation of God, whatever he wants or does is the will of God and is, therefore, morally right.

## **Turning The Tide Against The Globalist Cabal**

Considering this diabolical 1901 plan and the evil capabilities of its adherents, does it not come to mind that major events of the 20th Century and the first 15 years of the 21st seem to fit entirely within its expressed intentions? Likewise, when a Plan to Save The World from the aims of the 1901 plan surfaces, and significant progress is made to accomplish its objectives, should we not give close attention to providing aid and comfort for its success is both natural and essential?

As a point of interest, by the time the 1901 plan came to my attention, the research, writing and editing of The Fruits of Graft were substantially completed. For this reason, the

historical reporting of the 1901 plan was not revealed to the reader until Chapter 17 of the book. First, the devastating events of the 20th and early 21st centuries were detailed, showing them to be cunningly designed and executed with full intentions to impose maximum harm on the American people and their constitutional government. Then the 1901 plan is revealed, making the worldview-shattering point that all of this wrong-doing was not merely random criminality hitting targets of opportunity. Rather, a master plan carefully crafted to do utmost damage to humanity's well-being was behind the cataclysmic failures of government policy. Any latitude at all for excuses of ignorance or ineptitude is extinguished.

This stubborn reality made obvious that no counter-attack against the oppressors of American society would be sufficient or successful unless it targeted the primary centers of power of the globalist cabal. Americans can be neither successful nor safe until those globalist principals are unhorsed and destroyed. That is the task at hand presently, and one that the Trump presidency was undertaken and is now undertaking to achieve.

## Where We Go From Here

The past four U. S. presidencies preceding President Trump (Bush, Clinton, Bush, Obama) have been puppet operatives of the globalist cabal, and those were certainly not the first. Operatives of the cabal remain prominent in major media organizations, academia, think tanks and private business. A number of such operatives have been deposed already due to actions of the Trump administration, though this has not been widely reported in clear terms. But the direct attack on major operatives and outposts of the globalist cabal is still to come, and there is reason to believe it is imminent.

Americans are already seeing highly unusual times. Other nations are in desperate straits; insufficient numbers of ventilators in Madrid, so elderly victims are being sedated to favor the young. What previous nationwide shutdown of business and social gatherings due to illness of any nature can you recall? By the time this current event is concluded – perhaps on Good Friday – we will have significantly more to record in history for posterity to learn and cherish.

## China Virus COVID-19 98

The China Virus, known as coronavirus or COVID-19, was likely engineered as a bio-weapon by China's Wuhan Institute of Virology with assistance from Harvard University. <https://tinyurl.com/rv36kqt> Described as a ticking time bomb, the coronavirus was unleashed at a point in time to inflict maximum damage prior to the 2020 US presidential election. The virus has wiped out the US stock market, damaged the US economy and nullified many of POTUS' economic gains the past 4 years. China would much rather have Joe Biden in office so it can go back to the old days of ripping off the USA via one-sided trade deals.
