## Anti-Zionism is NOT Anti-Semitism

ROBERT STEELE: Anyone not getting this is either a Zionist, bribed or blackmailed by a Zionist, or plain stupid.

Zionism is a predominantly Russian criminal network using the invented apartheid state of Israel to sponsor transnational crime including trafficking in children and drugs and body parts.

Judaism is a faith. Most Jews and most rabbis now reject Zionism generally and apartheid and genocide against the Palestinians specifically.

### SHORT URL:

<https://tinyurl.com/Zionist-Parasite>

A very erudite and principled individual, albeit poorly informed on the matter of the Zionist parasite in the USA, led me to believe that President Donald Trump will never accept help from Cynthia McKinney (or me) because of our deep-seated views on the matter of Zionism as a parasite that has hollowed out the American economy, captured both the federal and state governments (and now with George Soros is focusing on county governments), and diminished our society by destroying belief in faith, family, and freedom. Below is my response to this most valued colleague.

I offer the following response for your consideration and suggest you seek counsel from His Grace the Emeritus Anglican Bishop of Jerusalem and the Middle East, as well as our mutual friend Sacha Stone. You

may find it quite worthwhile to interview His Grace, who is quite able to connect from Jerusalem for a video. His recent appeal to President Donald Trump is at the link below.

[Bishop Riah Abu El Assal: Appeal for Peace in Palestine](#)

As a professional intelligence and counterintelligence officer who is vastly more familiar than you are with the threats to the integrity of the USA, I am dismayed by your message of absolute commitment to the Zionist parasite that is destroying the USA and is never to be confused with the Jewish faith.

It troubles me to have you suggest that anything about my legitimate professional and civic concerns with respect to the Zionist threat is in any way anti-Semitic.

**I do not believe you are fully appraised of the damage done to the USA — and to the world — by the Zionists and the Deep State for which they are, in the USA, the virtual secret police.**

I refer particularly to the unregistered agents of Israel, a foreign power, the ADL and AIPAC. The ADL is sponsoring 1,087 #RESIST MeetUps for whom fees are waived, and Zionists — Les Wexner particularly — have [funded the Mossads pedophilia entrapment operations](#), not only Maxwell-Epstein but across the USA and they also [funded 9/11 with Dick Cheney](#)

[providing internal political cover.](#)

The Zionists – skilled at contriving race wars — funded the NAACP (with a Zionist President for the first 70 years), they have funded Antifa and Black Lives Matters whose goal is the destruction of the family and with no concern for blacks killed by blacks or Planned Parenthood or the NIH or CDC sterilizing blacks for decades, and they have used illicit methods including cyber-espionage, contrived marriages to controlled males, and profligate use of bribery and pedophilia entrapment blackmail to steal — not earn — control of wealth far in excess of their very small numbers . They violate all US laws and protocols with impunity and are the lead element in Wall Street theft from Main Street, in intellectual property theft from US citizens, and in the trafficking of children for economic and political advantage.

**Zionists — and the City of London as well as the Vatican — are the near enemy.**

This is not something that I am going to ever lose sight of. Eradicating the Zionist parasite is priority one.

The President will NOT win the Mother of All Landslides without acknowledging publicly this geopolitical and cultural reality and assuring his base – which is much more sensitive to this issue than the Zionist-controlled media will ever acknowledge — and all those who have lost hope in ever unrigging the

system — that America First means NOT Israel First.

The Synagogue of Satan is well-established among the Zionists, in the Jesuit ranks of the Vatican, and within the Royal Families of most European countries. It is particularly embedded in the banking world and at the highest ranks of the secret intelligence worlds.

# Adonai Child Rehabilitation

**Pastor John from “Adonai Child Rehabilitation” ministry in Kalaymyo, Sagaing region of Myanmar contacted MMin Tamar wanting to partner with BGEMC.**

Tamar told him that we will pray for his work, which is looking after orphans as well as giving him access to all of our children’s ministry material from [BGEMC.org](http://BGEMC.org) website.

Pastor John has a small Sabbath congregation of 7 families, which are in 3 different villages. Now with the COVID-19 restrictions in Myanmar, is having difficulty feeding his 17 orphans. They call it fasting, when they have no food at all.

The ministry struggles to get support for their work from regular ministries because of their Sabbath Pentacostal beliefs.

Pastor John is also suffering from a bad back this week. Your prayers for Pastor John and his ministry would be greatly appreciated.

Perhaps it is time for BGEMC to give 10% of our receipts to Adonai Child Rehabilitation in Myanmar.

We are not sure if an orphan in Myanmar is a child without a father, as in India, or as in Australia, a child with no parents at all, but from the photos, they do seem to be living under the one roof.
