## MANIPULATING AMERICA (& US)

### Manipulating America: The Chinese Communist Playbook | In-Depth Report | NTD

<https://youtu.be/e-GOUilgoJ8>

**There is an invisible war raging in the world. Not a war fought with bullets and guns, but a war of manipulation.**

It's a war fought by the Chinese Communist Party (CCP) against the free world using the full force of its propaganda and influence apparatus.

Not only does the CCP actively spread its propaganda to the West, it has even succeeded in dictating what can and cannot be said in free societies.

However, this growing influence has gone largely unnoticed. And by now, it has penetrated all levels of American [and our] society.

In this new age of information warfare, where a hostile foreign power is waging a war for our minds,

what can be done?

In this new in-depth report, we explore China's "Grand External Propaganda" campaign against America and the rest of the free world and reveal the playbook it uses.

Original lead to the above movie came from the InTheMartrixxx Show on this channel link.

# President Donald J. Trump Has Secured a Historic Deal Between Israel and the United Arab Emirates to Advance Peace and Prosperity In the Region

Issued on: August 13, 2020

**“Our vision is one of peace, security, and prosperity — in this region, and in the world.”**

**“Our goal is a coalition of nations who share the aim of stamping out extremism and providing our children a hopeful future that does honor to God.”**

***President Donald J. Trump***

## SECURING A HISTORIC AGREEMENT:

**President Donald J. Trump has secured the first agreement to normalize relations between Israel and a major Arab country in decades.**

- President Donald J. Trump has brokered an agreement to normalize relations between the United Arab Emirates and Israel – the first such agreement between Israel and a major Arab country since 1994.
- The countries have committed to the exchange of embassies and ambassadors, and to begin cooperation in a broad range of fields including education, healthcare, trade, and security.
- This historic breakthrough is the most significant step toward peace in the Middle East in over 25 years.

The United Arab Emirates is the first major Arab state to recognize Israel since the Israel-Jordan Peace Treaty was signed on October 26, 1994.

## **SHAPING PEACE THROUGH BOLD LEADERSHIP:**

**President Trump recognized it was time for a new approach to achieve peace, security, and opportunity for the people of the Middle East.**

- This historic breakthrough was made possible by President Trump's leadership and expertise as a dealmaker.
- The President built trust with our regional allies and reoriented their strategic calculus by identifying shared interests and common opportunities, moving them away from perpetuating old conflicts.
- This deal provides a foundation for further advances toward regional peace in the future.

The United States believes that more Arab and Muslim countries will follow the United Arab Emirates' lead and normalize relations with Israel.

## **BUILDING A MORE PEACEFUL AND PROSPEROUS REGION:**

**This agreement will help put the region on a truly transformative path: one with stability, security, and opportunity.**

- This agreement is a major breakthrough for Muslims throughout the world who wish to come in peace to pray at the Al Aqsa Mosque, as they will now be able to fly to Tel Aviv through Abu Dhabi to do so and will be welcomed.

By encouraging more visits, it will help counter the extremists who use the false narrative that the Al Aqsa Mosque is under attack and that Muslims cannot pray at this holy site.

- Expanded business and financial ties between these two thriving economies will also accelerate growth and economic opportunity across the Middle East.
- This agreement will allow further advancement of the President's vision for finding a comprehensive, fair, realistic, and lasting peace between Israel and the Palestinians and in the region.

## **How this historic Middle East agreement happened**

*Friday 14 th August 2020.*

**This morning, President Trump** officially secured the first agreement to normalize relations between

Israel and a major Arab country in decades.

**“Just a few moments ago, I hosted a very special call with two friends—Prime Minister Benjamin Netanyahu of Israel and Crown Prince Mohammed bin Zayed of the United Arab Emirates—where they agreed to finalize a historical peace agreement,”** President Trump announced. “Everybody said this would be impossible.”

**The United Arab Emirates** becomes the first major Arab state to recognize Israel since the Israel-Jordan Peace Treaty was signed on October 26, 1994. Today's action is the most significant step toward peace in the Middle East in more than 25 years.

**How did it happen?** For the past three and half years, President Trump built trust with our regional allies and changed their strategic calculus. He identified shared interests and common opportunities, moving them away from perpetuating old conflicts.

**“You can't solve problems** that have gone unsolved by doing it the same way that people before you have tried and failed,” Advisor to the President Jared Kushner said.

**The Trump Administration** went

right to work building trust:

- **The ISIS caliphate** was destroyed, and terrorist leader Abu Bakr al-Baghdadi was brought to justice.
- **After decades** of past U.S. presidents promising on the campaign trail to move the U.S. Embassy in Israel to Jerusalem—only to break that promise once in office — President Trump made it happen.

**Now, opening direct ties between** two of the Middle East's most dynamic economies, Israel and the UAE, will transform the region by spurring economic growth, enhancing technological innovation, and forging closer people-to-people relations.

**Today's historic agreement** has been named the Abraham Accord. U.S. Ambassador to Israel David Friedman said in the Oval Office today.

**“No person better symbolizes** the potential for unity among all these three great faiths than Abraham.”
