Aussies need to support the World Wide Rally for Freedom this Saturday

[JUL 21](#) Posted by [Editor, cairnsnews](#)

By **TONY MOBILIFONITIS**

“We are not slaves, we are free humans and we need to act like it. Free humans do not wear face nappies, they don't wear muzzles, they do not scan in, they are not tracked and traced, they do not get tested...” –

Meryl Dorey of Australian Vaccination (risks) Network

LONG-time vaccination safety campaigner Meryl Dorey Australians need to stop complying with so-called “health dictates”.

In a [social media message](#) this week, Dorey pleaded with Aussies to support the global freedom rallies this Saturday. “Get all of your neighbours. Get there!” she said. “We need to make sure we get out and protest against this enslavement by our government – and that's what it is, enslavement.”

Meryl Dorey addresses followers across Australia.

“The only way that these demonstrations are going to be successful is if tens of thousands of people get out there,” she said, noting a warning from broadcaster Alan

Jones that Sydney could be locked down until August 20th. The biggest challenges for protesters are in locked-down Melbourne and Sydney. Brisbane is not locked down, but talk is that Premier Palaszczuk will pull a swifty and bring one down when she gets back from her trip to Japan.

Dorey noted the protest by truckies and tradies in Sydney last Saturday after the idiot Premier Berijiklian shut down all construction because of so-called “exposure sites all throughout metropolitan Sydney”. The pathetic politician is apparently not worried that half a million workers will lose money and cost the state a billion dollars in economic activity every week – let alone the bleeding small business sector.

Dorey meanwhile, is worried by the number of Aussies blindly following the orders. “We need to stop complying. When I go to Woolworths or Coles or Bunnings and I see I’m the only person in there without a mask and I despair, because honestly people, we need to wake up. The government is acting totally illegally. They are turning us into their slaves.

“We are not slaves, we are free humans and we need to act like it. Free humans do not wear face nappies, they don’t wear muzzles, they do not scan in, they are not tracked and traced, they are not get tested... they simply go about their lives in freedom the way they were

born.”

As noted by retired US Lieutenant General Thomas McInerney, we are in a World War 3 of unrestricted or irregular warfare emanating from the Chinese Communist Party, the “Davos Party” and the World Economic Forum, the global eugenics practitioners as represented by the Gates and Rockefeller foundations, the WHO-UN neo-Marxist grouping, and the global apparatus around the big pharma profiteers.

But this is also a psychological war against the distracted minds of the western middle class people, who are the target of this war. Already Australia’s ABC media network is pushing the World Economic Forum’s “universal wage” proposal.

This is not the old, idealistic social credit idea. What the WEF and its circle want is the mass of people living on a virtual prison wage. They want global slavery where a medical elite – like the totalitarian communist elites – can lock the mass of people down on a whim.

But wait, aren’t they doing that already? Indeed they are. Any Australian who thinks these lockdowns are somehow justified by a virus and its mutations floating around in the community are naive and sadly uninformed. Such people constitute probably half the population.

Fellow Mushrooms

Me at the Supermarket: Why is there plastic on the payment keypad?

Cashier: to protect people from Covid.

Me: but isn't everyone touching the plastic keypad the same way they would the regular keypad?

Cashier: no words. Confused look.

Me: Why Don't you pack the grocery bags anymore?

Cashier: Because of Covid -19 to reduce the spread of catching or spreading the virus.

Me: But a shelf packer took it out of a box and put it on the shelf, a few customers might have picked it up and put back deciding they don't want it, I put it in my cart then on the conveyor belt, YOU pick it up to scan it... But putting it in a bag after you scan is risky??

Cashier: no words, confused look.

Me at the drive through Server: (holds a tray out the window with a bag of food for logical friend to grab)

Me: why is my bag of food on a tray?

Server: so I don't touch your food because of Covid.

Me: didn't the cook touch my food? Didn't the person wrapping my food touch it and then touch it again when placing it in my bag? Didn't you touch the bag and put it on the tray? Didn't you touch the tray?

Server: no words. Confused look.

Me in society: If you cough or sneeze do it in your elbow or sleeve,

Also society: Don't shake hands or hug anyone or you will spread the virus.. To greet people do an elbow tap instead.

Me : Elbow tap ? – Isn't that where you tell people to sneeze or cough? into their elbow? – Now you want people to tap each other with that elbow wouldn't it be safer to sneeze into elbow and shake hands like we did before Covid.

Me at a restaurant: Hostess: OK, I can seat you at this table right here (4 feet away), but I will need you to wear a mask to the table.

Me: what happens when I get to the table?

Hostess: you can take off the mask.

Me: then it is safe over there?

Hostess: yes.

Me: are those fans blowing above the table? Is that the air-conditioning I feel? Is the air circulating in here?

Hostess: no words. Confused look.

Me in society: You are not allowed to stand and drink at the pub you have to sit down. But at the shopping centre you are not allowed to sit down, all the chairs are roped off.

Who thinks this shit up?

Life is hard for logical people right now.

“We are being raised without the ability to process and execute logic”.

A CairnsNews subscribers **email to PM Scott Morrison.**

Subject: **Nuremberg Code**

Dear Mr Morrison,

I am writing in regards to the Nuremberg Code and how you, the Premier's of each state and Territories are breaking the laws that have been made to protect the people from leaders like the ones we have in this Nation Australia.

Not only does the Nuremberg Code

protect us, but our Commonwealth Constitution protects us also. If you and the other leaders continue to break these laws you may be tried for [Treason](#) against the law and the people.

Sir I thought that we at last had a leader when you came into the PM's office, but I have been saddened by your lack of leadership, also your willingness to go with the flow with the other puppets.

Please Mr Morrison, if you are actually a Christian as you have stated, by parading around [Hillsong](#) as a follower of Christ, put a stop to all of this control of the people, by yourself and the others who are supposed to be leading the people of this Nation. All I can see happening now, is leaders are conditioning the people to be put under a Communist leadership governed by the one world government. I myself believe you are part of this group.

Your statements regarding everyone will have to have this Vaccination for Covid, is again breaking the law and taking away our right to determine whether it is good for us or not.

Sir if you can't lead because you are being told what you must do, think of the lives you are destroying, by taking a communistic stand, as I believe you are.

I would like you, Mr Morrison to reply to this, not your puppets.

Kind Regards

Rev Terry Beauchamp
