Big-Pharma sponsored TGA after importer of Ivermectin

SOURCE: <https://tinyurl.com/2p83ntj3> <https://cairnsnews.org/2022/04/19/big-pharma-sponsored-tga-after-importer-of-ivermectin/>

The Bib Pharma -sponsored Therapeutic Goods Administration and its Chairman Professor John Skerritt are prosecuting anyone who imports Ivermectin for any purpose. Big Pharma has tied up the TGA and politicians so well that any alternative treatment for 'Covid' will be prevented no matter what.

A reader imported Ivermectin tablets from India for animal treatment but TGA's Sam, no surname, informed him he cannot bring the Covid cure in without a permit.

Endemic corruption festers in the ranks of all bureaucracy and politics and it begs the question, **how did PM Scott Morrison accumulate \$52million in assets on a \$450,000 per annum salary?**

Cairns News is doing an investigation of Skerritt's wealth over the past two years and will publish the results.

BlackRock's CEO, Larry Fink, who oversees \$10 trillion, says Russia-Ukraine war is ending globalization

Larry Fink, CEO and chairman of the world's biggest asset manager, [BlackRock](#), said Russia's invasion of Ukraine has upended the world order that had been in place since the end of the Cold War.

"The Russian invasion of Ukraine has put an end to the globalization we have experienced over the last three decades," Fink said in his [2022 letter to shareholders](#). "It has left many

communities and people feeling isolated and looking inward. I believe this has exacerbated the polarization and extremist behavior we are seeing across society today.”

Fink's letter came a month into [Russia's invasion of Ukraine](#) with Moscow's forces bombarding cities across the country and killing civilians unable to escape. The U.S. and its allies have imposed unprecedented sanctions on Russia and provided military assistance to Ukraine.

BlackRock, the world's largest investment manager, has become an increasingly influential Wall Street player in Washington, DC. The firm has hired notable policy-makers over the years, and at least three leaders with the New York-based asset manager on their resumes now hold prominent roles in [President Joe Biden's cabinet](#).

Senator Antic calls out the communist WEF for subverting western values

[APR 19](#) Posted by [Editor, cairnsnews](#) Source: <https://tinyurl.com/38b9hct5>

[Senator ANTIC](#) (South Australia) (21:16): Founded in 1971 by Klaus Schwab, the World Economic Forum is steeped in authoritarianism and Marxist ideology. It's an ideology which is creeping into governments across the world. When speaking about the Canadian parliament, Schwab himself said: 'We penetrate the cabinets. I know that half this cabinet—even more than half—are actually young global leaders of the World Economic Forum. It's true in Argentina, it's true in France—now with the President, who is a young global leader.'

Senator Alex Antic drops this WEF bombshell in the senate, makes one wonder what every other senator was doing about the WEF communists

The World Economic Forum promotes globalist issues such as climate change, so-called systemic racism and sexism and creating an online digital identity. However, closer inspection reveals that the World Economic Forum is an anti-capitalist and anti-free market organisation that seeks to subvert Western values and political processes. They are very organised and very well funded. Their message is designed to appear harmless when, in fact, the ideology that underpins it is revolutionary and destructive. They train aspirational leaders in their ideology and help them make connections in

spheres that include politics, business and the arts.

The World Economic Forum has consistently advocated for the harshest and most extreme COVID measures possible, including lockdowns, mandatory vaccinations, vaccine passports and mask mandates, despite these policies assaulting many of our basic liberties. At the centre of the World Economic Forum's ideology is stakeholder capitalism. Essentially, this is a theory that traditional free market capitalism ignores the dangers posed by climate change, so the government must enforce restrictive policies to save the environment, even if that means less wealth. Why, then, are the forum's criticisms of capitalism always directed at Western nations, rather than the great polluters such as China and India? The forum believes that your freedoms should be minimised to prevent the imminent climate catastrophe—the one that has been coming for 10 years and the last 50 years, by the way.

The central theme of the World Economic Forum's material is what they call the 'great reset', which is Klaus Schwab's term for the opportunity the pandemic has presented to reimagine and reinvent the economic policies of the West. The term comes directly from Schwab himself with his 2020 book entitled *COVID-19: The Great Reset*. In a now-deleted video titled '8 predictions for the world in 2030', the World Economic Forum claimed, 'You'll own nothing and you'll be happy'—a slogan that hits the same dystopian note as 'Work makes you free' and 'Ignorance is strength'. You don't have to be a political philosopher to figure out that, if you own nothing, the state owns everything. There's a word for this: it's 'communism'. The World Economic Forum and its affiliates shamelessly promote the abolition of private property—a central facet of Karl Marx's demented utopian ideology which led to the deaths of tens of millions of people worldwide in the 20th century. To quote Margaret Thatcher: 'Communism never sleeps, never changes its objectives. Nor should we.'

No matter how sophisticated the World Economic Forum tries to make the abolition of private property around the world sound, the fantasies of Karl Marx always lead to the crushing of individuals' liberties and lives and the expansion of the state's tyranny and power. It is imperative that we pay close attention to the World Economic Forum and do all that we can to preserve liberty and reduce government intrusion in our lives. If we fail to do so, the antidemocratic forces in the West will continue to march on, and we may wake up to an Australia that we no longer recognise. Australians deserve to know the extent of the World Economic Forum's influence and infiltration of our country, and we're going to find out.

Last straw for Ukraine is witchcraft against Putin

APR 20 Posted by [Editor, cairnsnews](#) by *Kev Moore*

On March 31, 2022 a group called Witch Cauldron, based in Kiev (Ukraine) engaged in spiritual warfare, using witchcraft against Russian President Putin. You may recall that they did the same with US President Trump.

<https://www.indiatimes.com/trending/wtf/ukrainian-witches-to-perform-ritual-to-topple-vladimir-putin-565565.html>

A group of witches in Ukraine is planning to hold a three-part ritual to punish and stop Russian President Vladimir Putin.

Taking to Instagram, Kiev-based Witch Cauldron shop put out a statement, saying the 'witches' will perform the ritual in collaboration with their foreign partners....

"On March 31, on the 29th lunar day, the day of corruption and curses, we, the witches of Ukraine, in collaboration with foreign partners, will perform a ritual of punishing the enemy of the Ukrainian people – Vladimir Putin," the shop said on Instagram. A few days later, the Russian Orthodox Church confirmed this.

The Russian Patriarchal Church believes that the Ukrainian government is using "witches and satanic rites" against the occupiers.

Archpriest of the ROC Andriy Tkachov made such a statement quite seriously. The priest stated that Ukraine allegedly has nothing left but to ask for help from demons, Satanists and sorcerers. Tkachev addressed the Russian audience:

"Obviously, all human means have run out, demonic means have begun ... Arestovich's appeal was to witches, to the sorcery community of Ukraine. They responded to him and announced some rites," Tkachev said.

Some special forces also wear Satanic insignias. The head of Baphomet can be seen on the insignia here: The Truth About Nazism in Ukraine: And Why the Media is Covering It Up...
