GEORGIA GUIDE STONES DAMAGED BY 3:32am BLAST. AN INSCRIBED COLUMN FALLS, CAPSTONE BREAKS. THE REST WAS DEMOLISHED FOR “SAFETY” LATER THAT DAY.

Its inscribed 10 rules in multiple languages are called the “anti-10 commandments”, which advocates population control (reducing and limiting the world's population to under 500 million), one world language, a world court, and environmentalist extremism...” A policy of genocide!

The Inscriptions in 12 languages on the Georgia Guidestones were:

- 1. Maintain humanity under 500,000,000 in perpetual balance with nature.***
- 2. Guide reproduction wisely — improving fitness and diversity.***
- 3. Unite humanity with a living new language.***
- 4. Rule passion — faith — tradition — and all things with tempered reason.***
- 5. Protect people and nations with fair laws and just courts.***
- 6. Let all nations rule internally resolving external disputes in a world court.***
- 7. Avoid petty laws and useless officials.***
- 8. Balance personal rights with social duties.***
- 9. Prize truth — beauty — love — seeking harmony with the infinite.***
- 10. Be not a cancer on the Earth — Leave room for nature — Leave room for nature.***

Gideon Destroys the Altar of Baal

Judges 6:28 *When the men of the town rose early in the morning, behold, the altar of Baal was broken down, and the Asherah beside it was cut down and the second bull was offered on the altar that had been built.*

The HIGHEST NUMBERS OF DEATHS ARE IN THE TRIPLE JABBED.

Telegram source: <https://t.me/daveoneegschat/13611>

Numbers are in... "Trust the \$cience"
Total hospital numbers: 445 Jabbed vs 0 Un-jabbed.

Image table below was extracted and compiled by Dave Oneegs from Table 1 on page 3 of the following pdf.

<https://www.health.nsw.gov.au/Infectious/covid-19/Documents/weekly-covid-overview-20220625.pdf> or <https://tinyurl.com/2t9hbm7k>

Table shows number of people with a COVID-19 diagnosis in the previous 14 days who were admitted to hospital, admitted to ICU or reported as having died in the week ending 25 June 2022.

Date range: week ending 25th June 22

	Admitted to hospital (but not to ICU)	Admitted to ICU	Deaths
Vaccination status^	401	44	89
Four or more doses	96	10	21
Three doses	207	22	51
Two doses	93	12	16
One dose	5	0	1
No dose^	zero 0	zero 0	Old Age? 12
Unknown	128	12	3
Total	529	56	104

Total deaths 529 Jabbed vs 12 unjabbed.

NOTE. The 12 un-jabbed NEVER even visited the hospital, so it's safe to assume deaths are from natural causes old age.

Yet the document makes the following statement.

"However, people who are not vaccinated remain far more likely to suffer severe COVID-19. The minority of the overall population who have not been vaccinated are significantly overrepresented among patients in hospitals and ICUs with COVID-19."

EU parliament declares fossil fuel to be “green” energy as climate change narrative self-destructs

July 07, 2022 by: [Mike Adams](#). Source: <https://citizens.news/636421.html>

This article may contain statements that reflect the opinion of the author

([Natural News](#)) The EU parliament just announced a decision that's causing the fraudulent climate change narrative to self-destruct. “EU parliament backs labeling gas and nuclear investments as green,” [reads a Reuters headline from yesterday](#). “The European Parliament on Wednesday backed EU rules labeling investments in gas and nuclear power plants as climate-friendly,” Reuters continues, explaining that the EU has been plunged into an energy crisis that's dividing EU nations and forcing a re-evaluation on which energy sources are deemed “renewable.”

When this rule is fully adopted, it means **Russia's Putin will become one of the world's largest exporters of green energy**. That also means NATO and Ukraine are engaged in a war against a green energy leader, while western sanctions have blocked Russia's exports of green energy.

“EU Parliament backs green label for nuclear and natural gas, defying climate Left,” [reports the Washington Examiner](#). The decision will, “ease construction of infrastructure for those power sources over the objections of some environmentalists and members of the bloc.”

Western Europe is collapsing under the lunacy of globalist green energy policies

This decision is the first sign that European leaders may be pulling back from the green energy suicide cult that now typifies socialist, progressive “libtard” governments that are more interested in virtue signaling than allowing their own domestic economies to function. The fraudulent, junk science narrative of “climate change” has caused western nations (including the USA) to dismantle much of their fossil fuel infrastructure over the last 20 years. With Russia's energy exports suddenly cut off due to economic sanctions, Western Europe is finding itself mired in an unprecedented energy crisis with potentially catastrophic consequences.

Suddenly, European nations are panicking to try to rebuild their energy infrastructure. But since they've officially blocked most funding for non-green energy projects, the only way to get funds to rebuild fossil fuel infrastructure is to declare fossil fuels to be “green.”...
