Central Elections Committee Votes to Ban MK Hanin Zoabi

By Yaakov Levi in Arutz Sheva

The Central Elections Committee Thursday voted 27-6 to ban extremist Arab MK Hanin Zoabi (Balad) from running in the upcoming general elections.

Earlier, the committee meeting was the scene of loud shouting on Thursday, as Zoabi appeared to defend herself over the petition to ban her from running for the Knesset in the current election campaign.

The petition was submitted by Yisrael Beytenu head Avigdor Liberman and Otzma Yehudit/Yachad - Ha'am Itanu candidate Baruch Marzel, over anti-Israel remarks and actions she has made over the years.

Speaking at the Committee hearing, Zoabi said that she was not the one that should be put "on trial. The occupation is the source of all violence, and for those who did not notice, the two people who filed this petition are the ones who have turned my entire nation into terrorists." She and that "nation," said Zoabi, "are part of the Palestinian nation. We are Palestinians."

The comments elicited a great deal of shouting and catcalling, with MKs telling Zoabi that she did not represent the Arab public, and that she condoned, and even praised, terror attacks against Israelis and Jews. "Is there an 'occupation' in Paris? Is there occupation in ISIS-held lands?" shouted MKs at Zoabi, referring to the recent murder of four Jews in the Hyper Cacher market in Paris, and the beheading of Western hostages by ISIS terrorists.

Zoabi also provoked anger after smirking and laughing during her speech, and was interrupted repeatedly by Ha'am Itanu party leader Eli Yishai who called her a "terrorist."

In the petition, Marzel - who is himself facing attempts to ban him - and Liberman included choice samples of the anti-Israel and pro-terror comments made over the years by several of the candidates, including MK Hanan Zoabi. In an interview with Russian media, for example, Zoabi said "I have no problem with Iran, and I am very supportive of all the groups fighting the occupation of the Palestinians by Israel. I certainly support any and all groups fighting the occupation."

The petition noted that several candidates, primarily Zoabi, have given vocal support to terrorists such as Hamas in their efforts to destroy Israel, and promote "the armed struggle of Israel's enemies and terror groups against Israel, which according to the Basic Law: Knesset prevents them from running in an election."

"I am going to wipe the smirk off Hanin Zoabi's face," Marzel said when he filed the petition several weeks ago. "She advocates the killing of IDF soldiers, and the murders of children."

If advocating murder was the criteria for being termed a terrorist, said Zoabi, it was the petitioners who deserved that title, claiming that Israel's defensive actions against Hamas terrorists in Gaza was somehow the equivalent of "murder."

"Those who do not condemn the murder of hundreds of children in Gaza are supporters of terror," she said. "What bothers those who seek to ban me from running is the fact that I am a Palestinian and want to continue being a Palestinian, even in the Knesset."

Syrian army tears through the south to sweep Iran and Hizballah up to Israel's Golan doorstep

The Emet Report - WND, IDF, IDN, Lignet, Debka, INN, Ynet, TOI, MEN, AP

The Syrian army's Ninth Division and 121st Brigade armed with 50 T-72 tanks led a sweeping Iranian-Hizballah offensive dubbed "Operation Ali Allah Dadi for Quneitra Martyrs." With them were 4,000 Shiite fighters imported by Iran for the battle and several hundred Hizballah gunmen - all under the command of Iranian Revolutionary Guards officers.

The operation started out with an Iranian-led force advancing on the southern Syrian town of Deraa - part of which is held by Syrian rebels - and heading for the junction of the Syrian-Jordanian and Israeli borders.

Strong dust and sand storms over the region this week restricts visibility and kept Syrian fighter jets grounded. Nonetheless, the Syrian-Hizballah-Iranian force, by dint of its superior numbers and fire power, were able to drive Syrian rebels out of many of the sectors they held and push them back toward the Israeli border.

By Tuesday night, ground reconnaissance had sighted the advancing force reaching a line 5-6 km south and east of Quneitra and in position to capture the Syrian Golan town.

Monday, Feb. 9, Syrian Foreign Minister Walid Muallem emphasized that Israel's efforts to create a buffer zone on the Golan, like the security enclave it maintained in South Lebanon, would not succeed.

The object of the Quneitra offensive is clearly to root out Syrian rebel forces, claimed to be backed by Israel, from the positions they hold facing the Israeli Golan. To replace them, a token Syrian contingent made up mostly of Shiite fighters trained by Iran's Revolutionary Guards. An armed Hizballah force will move in and to establish a forward position on Israel's Golan doorstep.

Lebanese Army Receives Massive US Arms Shipment

The Emet Report - DS, WND, INN, Ynet, IDF, Reuters, AFP, AP, MEN

Members of the Lebanese Army were spotted unloading a massive arms shipment on Sunday supplied by the United States government.

The munitions included 70 M198 Howitzer artillery units, along with 26 million rounds of ammunition.

According to a press release by the U.S. Embassy in Beirut, the "American Ambassador David Hale presided over the delivery of \$25 million in assistance to the Lebanese Armed Forces."

"Lebanon is now the 5th largest recipient in the world of U.S. military foreign assistance. Over \$100 million last year, and over \$1 billion in the last 8 years," the statement added. "This is top of the line equipment, the best that is on the market. It is what our soldiers use, and we're proud to know that very soon, your brave soldiers will be using it too, along with other U.S.- supplied equipment, to defeat the terrorist and extremist threat from Syria."

"We are fighting the same enemy, so our support for you has been swift

and continuous," the Ambassador said from Beirut."

Some national security experts have warned that the weapons shipments may fall into the hands of terrorist groups such as Hezbollah, the Shiite Iranian proxy that occupies the country's south.

In late January, a YouTube video appeared to show a Hezbollah convoy loading American made military vehicles onto a platform. The vehicles included an M1 Abrams tank, M113 armored personnel carriers, Humvees, and Mine-Resistant Ambush Protected vehicles.

Other reports have stated that the Lebanese army and Hezbollah have attempted to combine forces in order to attack neighboring Israel.

Statistics is not always boring...Good to know!

Question: Who are the Israeli or Palestinian leaders which were born in Palestine?

Israeli leaders:

Binyamin Netanyahu, born October 21, 1949 in Tel Aviv.

Ehud Barak, was born on 12 February 1942, in Mishmar HaSharon, Israel (under British Mandate)

Ariel Sharon, born 26 February 1928 in Kfar-Nalal, Israel (under British Mandate)

Ehud Olmert, was born on September 30, 1945 in Binyamina, Givat Ada, Israel (under British mandate)

Yitzhak Rabin, was born March 1, 1922 in Jerusalem, Israel (under British Mandate).

Yitzhak Navon, President of the State of Israel 1977-1982. Born on April 9, 1921 in Jerusalem, Israel (under British Mandate).

Ezer Weizmann, President of the State of Israel 1993-2000. Born June 15, 1924 in Tel Aviv, Israel) under British Mandate)

Arab Palestinian leaders:

Yasser Arafat, was born August 24, 1929 in Cairo, Egypt

Saeb BERAKAT, was born on April 28, 1955, in Jordan. Has a Jordanian citizenship.

Faisal Abdel Qader Al-Husseini, was born in 1948 in Baghdad, Iraq.

Sari Nusseibeh, was born in 1949 in Damascus, Syria.

Mahmoud al-Zahar, born in 1945, in Cairo, Egypt.

Therefore, Israeli leaders, who were born in Palestine, are called "settlers or invaders" while Palestinian Arab leaders who were born in Egypt, Syria, Iraq, Tunisia are "native Palestinians"?

These are the short facts about the struggle against Israel today!

It will take you only a minute and a half to read! It makes sense and it is fair. Jew or non-Jew, it does not matter. Please, read !

1. Israeli nation and Jerusalem? Israel became a nation in - 1312 BCE, two thousand years before the rise of Islam.

2. Arab refugees in Israel began identifying themselves as Palestinians in 1967, two decades after the establishment of the modern State of Israel.

3. After the conquest in 1272 BCE the Jews owned and controlled the land for one thousand years and with a continuous presence there for 3,300 years.

4. The only Arab conquest in 635 BC lasted just 22 years.

5. For over 3,300 years, Jerusalem has been the Jewish capital. Jerusalem was never the capital of any Arab or Muslim entity. Even when the Jordanians occupied Jerusalem, have not made it their capital, and Arab leaders did not go there to visit.

6 Jerusalem is mentioned over 700 times in the Bible and not once in the Koran.

7. King David founded the city of Jerusalem, Mohammed never came to Jerusalem.

8. Jews praying while facing to Jerusalem, Muslims pray facing Mecca. If they are praying between Jerusalem and Mecca, their are facing Mecca while their behind is to Jerusalem.

9. Re: Arab and Jewish refugees? Arab leaders in 1948 encouraged the Arabs to leave Israel, promising them to purge the land of Jews. Sixty-eight percent left without ever seeing an Israeli soldier.

10. Jewish refugees were forced to flee from Arab countries because of hate, violence, persecution and pogroms by the Arabs.

11. number of Arab refugees who left Israel in 1948 is estimated at around 630,000. Number of Jewish refugees from Arab lands is estimated to be the same.

12. Arab refugees were INTENTIONALLY not absorbed in the Arab countries, in spite of the huge territory. Out of the 100,000,000 refugees in the world since World War II, they are the only team that were not absorbed or integrated into them. Jewish refugees were completely absorbed into Israel, a country no larger than New Jersey.

13. The Arab-Israeli conflict? Arabs are represented by eight separate nations, not including Palestine. There is only one Jewish state. The Arab nations initiated all five wars and lost. Israel defended itself each time and won.

14. The PLO's Charter still calls for the destruction of Israel. Israel gave them most of the West Bank land under their authority and even supplied them weapons for their own Police.

15. Under Jordanian rule, Jewish holy sites were shifted, and the Jews were denied access to them. Under Israeli rule, all Muslim and Christian sites have been preserved and made accessible to people of all faiths.

16. Israel and the Arab Nations Of the 175 Security Council resolutions passed before 1990, 97 of them were directed against Israel.

17. Out of 690 General Assembly resolutions voted on before 1990, 429 were directed against Israel.

18. The UN was silent while the Jordanians destroyed 58 synagogues in Jerusalem.

19. The UN was silent while the Jordanians systematically desecrated the ancient Jewish cemetery on the Mount of Olives.

20. The UN was silent while the Jordanians enforced an apartheid-like policy of preventing Jews from visiting the Temple Mount and the Western Wall.

YESHUA REMEMBRANCE SERVICE

³¹ "Here, the days are coming," says Y'HoVaH, "when I will make a re-newed Covenant with the house of Isra'el and with the house of Y'udah. ³² It will not be like the covenant I made with their fathers on the day I took them by their hand and brought them out of the land of Egypt; because they, for their part violated My Covenant, even though I, for my part, was a husband to them," says Y'HoVaH. ³³ "For this is the Covenant I will make with the house of Israel after those days," says Y'HoVaH, "I will put My Torah within them and write it on their hearts; I will be their Elohim, and they will be My people. (Yirem'yahu [*Jeremiah*] 31:31-33)

Leader: "See! Elohim is my salvation; I am confident and unafraid; for Y'HoVaH Elohim is my strength and my song, and He has become my salvation!" (Isa 12:2)

Congregation: Then you will joyfully draw water from the springs of salvation. (Isa 12:3). Victory comes from Y'HoVaH; may Your blessing rest on Your people (Ps 3:8). Y'HoVaH Tzva'ot is with us, our fortress, the Elohim of Ya'akov. (Ps 46:7)

Leader: "Baruch ata Y'HoVaH, Eloheinu Melech Ha'olam, ha motze lechem m'in ha eretz." (divide challah)

Congregation: "Blessed are You Y'HoVaH our Elohim, King of the Universe who has brought forth bread from the earth. Y'HoVaH Tzva'ot, how happy is anyone who trusts in You! (Ps 84:12). Give victory Y'HoVaH! Let the King answer us the day we call. (Ps 20:9) I will take the cup of redemption and call upon the Name, Y'HoVaH. (Ps 116:13)

Leader: (with cup in right hand) "The cup of deliverance I raise and in the Name of Y'HoVaH, Yeshua HaMashiach, I call: Baruch atah Y'HoVaH, Eloheinu Melech, ha'olam, boray p'ri ha'gafen." (Replace cup with spices)

Congregation: Blessed are You, Y'HoVaH our Elohim, King of the universe, who creates the fruit of the vine.

Leader: Lifting spice container in right hand, says... "Baruch atah Y'HoVaH, Eloheinu Melech ha'olam, boray meenee besamim."

Congregation: Blessed are You, Y'HoVaH our Elohim, King of the universe, who creates the various spices.

Leader: As Avram gave to Malki-Tzedek according to B' resheet (Genesis) 14:18-20, let us all come and bring our offering; then take some Chullah; smell the spices; take your cup, return to your seats and wait, so we can partake together.

Leader: Pray in relation to what Yeshua has done in connection with the day's Torah portion. "Let us eat and drink together".

Malachi & Tamar: Aharonic Blessing (see Num 6:22-27). Our Abba and Elohim of our fathers, we thank you for the joy and rest of this Shabbat. May the coming week bring gladness & peace, health & achievement. Like the fragrance of the besamim,

we pray that the days ahead bring sweetness to our lives and the lives of our loved ones. May the peace, which we are enjoying linger till we gather for Shabbat next week. We ask this in Yeshua's name, Amein.
